**Von Gil McNeil : Needles and Pearls: A Novel (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Needles and Pearls: A Novel (English Edition):

Kurzbeschreibung The warm and witty sequel to *The Beach Street Knitting Society and Yarn Club Slip one* . . . Two weddings and a year after her husband's funeral, Jo Mackenzie is finally starting to get the hang of being a single parent. The boys are thriving, the yarn shop is doing well--thanks to Jo's improvements--and she's just about keeping her head above water. Knit two together . . . But a man from Jo's past and a new romance with the hunky local carpenter come along and make life a whole lot more interesting. Cast off . . . Can Jo cope when things get really complicated? Because if knitting really does keep you sane when life starts to unravel, Jo's going to need much bigger needles.
