Von Jo Nesbo : Nemesis: Harry Hole 4 (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Nemesis: Harry Hole 4 (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. BestesVon YvonneVon der Serie gefiel mir das Buch bis jetzt am besten. Bin gespannt wie es weiter geht. Over and out.0 von 0 Kunden fanden die folgende Rezension hilfreich. RollercoasterVon Alfred J. KwakMiddle part of Jo Nesbo s Oslo trilogy in which detective Harry Hole (HH) still rues and tries to solve the murder of his police partner

Ellen. In this high-octane instalment. HH is as always a struggling alcoholic prone to severe memory loss after meetings with Jim Bean. Here, he is under constant pressure from different sides and not at all sure of his own innocence in a violent death case quickly dismissed as a suicide. Then, a bank robbery with a fatality intervenes to fire up HH on all cylinders, thanks to a colleague, an expert at analysing video data from cameras installed in- and outside e.g. banks. Moreover, she is old police and gifted with the rare talent/ability of never forgetting a face...Found the book totally entertaining, compulsive reading even, but overlong, ideal for long, dark Nordic winters or sunny beach holidays. Apart from a convoluted plot full of deception and deceit, its 51 chapters have plenty of cliff hangers, office politics and forensic technology. Plus tutorials about robbing banks, Chinese military strategist Sun Tzu and the ethos and worldview of Albanian gypsies worldwide. And what some Norwegian roughnecks do off duty and why Rottweiler dogs are scary. Brief intermezzi to Brazil and the Sinai peninsula add to the pleasures of this occasionally opinionated thriller whose main intrigue and subplots have one thing in common: revenge, payback, retaliation by shedding blood in a sneaky and non-attributable way. Finally, Jo Nesbo has a crueller and funnier writing style than other Nordic writers and packs his books with plenty of odd but plausible background info. Never a dull moment. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Super spannend aber nicht Book 2 Von Helene Ein super spannender Krimi! Ich kann ihn nur weiterempfehlen! Ich hatte das 1. Buch aus der Harry-Hole Reihe schon verschlungen, da wollte ich direkt das nächste lesen. Ich habe dann beim Lesen gemerkt, dass dies nicht das 2. Buch aus der Reihe ist. Es sind ja trotzdem voneinander unabhängige Handlungen, insofern ist es nicht so schlimm. Allerdings tauchen zwischendurch Flashbacks auf, die mir hoffentlich noch nicht zuviel verraten haben! :)

Kurzbeschreibung OVER 9 MILLION BOOKS SOLD WORLDWIDE How do you catch a killer when you're the number one suspect? A man is caught on CCTV, shooting dead a cashier at a bank. Detective Harry Hole begins his investigation, but after dinner with an old flame wakes up with no memory of the past 12 hours. Then the girl is found dead in mysterious circumstances and he begins to receive threatening emails: is someone trying to frame him for her death? As Harry fights to clear his name, the bank robberies continue with unparalleled savagery... Pressestimmen Assured, complex, and evocative. (Seattle Times) The high-intensity action is threaded through a series of Chinese boxes revealing one false solution after another before the brilliantly inventive final twist. (Kirkus starred review) [A] beautifully executed heist drama... Expertly weaving plot lines from Holes last outing to feature the inspector, The Redbreast (2007), Nesbo delivers a lush crime saga that will leave U.S. readers clamoring for the next installment. (Publishers Weekly starred review) Nesbo returns with another novel that is every bit the multitextured, complexly plotted, psychologically rich thriller that made Redbreast such an unqualified success. . . . No doubt about it: Nesbo belongs on every crime-fiction fans A-list. (Booklist starred review) The dense plot is supremely detailed. . . . A crisp, clean translation. . . . Satisfying. (New York Times Book Review) Nesbo has a knack for Euro noir. (Entertainment Weekly) Nesbo offers up another top-notch mystery thriller, thickly layered, perfectly plotted, and briskly paced to keep readers hooked. With ties to events in The Redbreast, this is an excellent sequel. . . . Recommended for all fiction collections and essential for Scandinavian crime lovers. (Library Journal) High tension, lightning pace, a flawed but ultimately sympathetic protagonist: NEMESIS has it all. (BookPage) Its a good bet that if this is the first Harry Hole novel you read, youll never miss another. . . . Its complex but so well written. . . . If youre a fan of crime fiction, Harry Holes your man. (Arizona Republic) No matter what language you read, get on the Jo Nesbo crime patrol and see why the world loves Harry Hole. (Madison County Herald) Pressestimmen A superb novel. Intricate, truly gripping plot... elegant simplicity. Bravo! - as they say in Norway Evening Standard Reads incredibly nimbly ... This tale of revenge - with the US bombing of Afghanistan pounding in the grim background - has twists galore, and enough humanity in it to keep it grounded. A master at work Time Out An absolute blinder of a book Daily Sport
