Einer der besseren Christie'sVon LesetigerHaben diesen Roman im englischen Original gelesen und fand ihn recht spannend. Wobei die Story wie immer total an den Haaren herbeigezogen ist und so schlau wie Miss Marple ist ja sowieso keiner.0 von 0 Kunden fanden die folgende Rezension hilfreich. are a few inconsistencies but the story itself is intriguing. I was so mad the TV version was so different!

Von Anfang an sehr spannend. Man möchte unbedingt wissen, wie es weitergeht und es fällt schwer das Buch beiseite zu legen.

Kurzbeschreibung A message from a dead acquaintance prompts a bus tour to an unknown crime
In utter disbelief Miss Marple read the letter addressed to her from the recently deceased Mr Rafiel an acquaintance she had met briefly on her travels. Recognising in Miss Marple a natural flair for justice, Mr Rafiel had left instructions for her to investigate a crime after his death. The only problem was, he had failed to tell her who was involved or where and when the crime had been committed. It was most intriguing.
