KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. emphasis on steamyVon Wiebke B.I prefer stories that have a bigger story part and steamy scenes only to spice it up.

In this book the steamy parts make up 70 %. They are well written and you can definitely get into them. So if that's what you want to read, the book is perfect for you. Unfortunately that doesn't leave much room for the rest of the story. I would have liked to read more about the supernatural's background, what different powers they have, how their society and daily life is organized, why "the darkness" is their enemy, etc. The explanation that they don't know much about themselves was a little unsatisfying for me. Some of these things get briefly and partially mentioned, but I still had lots of questions in the end, so the story part didn't really sell for me.

Kurzbeschreibung Overview: A young lawyer down on her luck.
