Wonderful storyVon SunneAnyta Sunday writes books that get to me, they have a way to sneak to me, grab me without knowing how and why. Lenny For Your Thoughts is such a book, too. I just loved it.The book works with flashbacks I like that despite its making me crazy because I really want to know what had happened. We get

simultaneously the actual action Lennys planed move to a village much closer to Berlin and his reconnecting with his cousin Julien and the flasbacks how he and Julien became friends, how their life was with his best friend Ben, his sister and his Oma and how they realize that they want to be more than friends and the resulting heartbreak (which broke my heart, too).Its well done and I like the way little moments were shown to have big impact.Anyta Sunday works in this book with a very cute metaphor. As a boy Lenny heard about the sole going to heaven and from that on the soul will be described as a sole through the book. I liked that, more than once I imagined a fish helplessly flapping in front of him, no longer his own. I dont know if it was intended but a fish was the symbol/carrier for the soul in ancient Egypt.I loved the book. It has a very slow but captivating built up. I was so fascinated by Lennys whole emotional mess, his struggle to cope and not get hurt again I couldnt put it down. I wanted to grab Julien and yell at him to make up his mind and finally spill all his hidden emotions and feelings. I wanted them to find their way together. When they finally did it was so good. There was this expressive familiarity that made everything just a bit sweeter and more solid. As a reader you understand this is it because they know it.And I loved the side characters very much. They were more than that; they all were important, even Herr Koch. In the end I was so very lost ..I wanted the book to continue, I wanted to see them start their new life together just a bit more. God, I loved the tender emotional moments they had.SoAnyta Sunday, you have again written a very wonderful and sweet book.I highly recommend it ;)

1 von 1 Kunden fanden die folgende Rezension hilfreich. Find a Lenny, pick him upVon Emmi RI love e v e r y little thing about this book the loveable characters ,the wonderful written love story and that it is set in (East) Germany (my homeland). I loved that Oma is still called Oma, not Grandma and Herr Krause not Mr.Krause. That was surprising and made me smile :)I adore Lenny and his story has touched me deeply.I kissed one half of his mouth.Just like hed done to me at Christmas. Two halves now.That had to make a whole.

Kurzbeschreibung Please Note: This is a second edition of the novel "Lenny For Your Thoughts". This version of the story has been restructured into a chronological progression and some scenes have had heavy rewrites. At it's heart, though, it is the same story of love and romance between Lenny and Julian.Second Edition published 7/19/2016~*~*~***~*~*~It just happened.I wasn't ready, but it didn't matter.You smiled, and it knocked me from my nest, took my breath away, and left me falling,falling,falling. Julian: Enemy. Cousin. Best Friend. Something else?Lenny: Confused. Fascinated. Frustrated. Broken.Together, Julian and Lenny are the boy who smiles and the boy who falls.
