KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Eine PP-Saga als fast-DokumentationVon Kibby HuntVon allen PP-Saga ist diese von Collins die lngste und hat fast den

Charakter einer Dokumentation. Das ist vielleicht auch der Grund, warum ich nur 4 und nicht 5 Sterne vergeben habe. Ich mag's gerne etwas schwelstig mit viel Gefühl, und hier ist die Geschichte für mich manchmal fast zu sachlich, halt eben wie ein Dokumentarbuch. Das ist aber völlig subjektiv und für viele nicht relevant. Wer gerne ein sehr gepflegtes Englisch liest, Wert auf die historische Richtigkeit legt, der ist mit dieser Version bestens bedient.

KurzbeschreibungThe third book in the bestselling Pride and Prejudice sequel series from Australia. "A very readable and believable tale for readers who like their romance with a historical flavor." Book News Love, betrayal, and changing times for the Darcys and the Bingleys Three generations of the Darcy and the Bingley families evolve against a backdrop of the political ideals and social reforms of the mid-Victorian era. Jonathan Bingley, the handsome, distinguished son of Charles and Jane Bingley, takes center stage, returning to Hertfordshire as master of Netherfield Park. A deeply passionate and committed man, Jonathan is immersed in the joys and heartbreaks of his friends and family and his own challenging marriage. At the same time, he is swept up in the changes of the world around him. Netherfield Park Revisited combines captivating details of life in mid-Victorian England with the ongoing saga of Jane Austen's beloved Pride and Prejudice characters. "Ms. Collins has done it again!" - Beverly Wong, author of Pride Prejudice Prudence
Pressestimmen"Collins deserves credit for not straying too far from the original characters and story. Buy for readers who love the Austen continuation subgenre." - Booklist
