Von Edie Claire : Never Con a Corgi: Volume 6 (Leigh Koslow Mystery Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Never Con a Corgi: Volume 6 (Leigh Koslow Mystery Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. leider nicht die gewohnte QualittVon ShadowriderSchon der Einstieg ist befremdend: Seit dem letzten Band sind pltzlich mehr als 10 (!) Jahre vergangen, und Leigh ist Mutter von ebenso alten Zwillingen - ein unangenehmer Riss in der

Atmosphäre ist da unvermeidlich. Zudem fehlt es dem Buch an Spannung, endlose Seiten lang wird über nasse Hunde (v.a. ihren Corgi, der seeehr nass, dann seeehr schmutzig, dann seeehr stinkend, weil ihn ein Stinktief erwischt hat etc. ist) geschrieben - die man selbst als Tierliebhaber nur ghnend langweilig finden kann - und wenn dann doch einmal der Hund aus dem Fokus rückt, dann liest man sich mühsam durch weitere fade Seiten, wo die Aktivitäten ihrer Kinder beschrieben werden. Man gewinnt fast den Eindruck Edie Claire will den Leser die ganzen 10 Jahre nachholen lassen... Auch das ewige Auswalzen des "unglaublich schlechten" Karmas, das Leigh - oh mein Gott! - schon wieder eine Leiche finden lässt, wo sie doch schon so viele gefunden hat, ist mittlerweile einfach nur mehr ermüdend. Es ist eben das (nach der Statistik natürlich sehr unwahrscheinliche) Schicksal von Heldinnen von Krimi-Serien, dass sie bei Verbrechen stolpern, das muss man wirklich nicht dauernd rechtfertigen. Bei Miss Marple fragt man sich ja auch nicht: "Oh mein Gott, wie kann es denn sein, dass diese alte Dame schon wieder an einer Verbrechenauflösung beteiligt ist????! ;-)) Bleibt nur zu hoffen, dass der nächste Band wieder besser ist! 0 von 0 Kunden fanden die folgende Rezension hilfreich. High suspense and greatest reading pleasure Von Charlie+Jimmy In the 6th. book of the Mystery Series after several years we meet again our female hero Leigh Koslow. Meanwhile she settled down and is a loving wife and mother of splendid twins, but also working in a pr-agency and volunteering for an animal-shelter. Nevertheless of her many duties and interests, her affinity to find dead persons and her passion for detective-work did not diminish but rather increased. Actually involving the whole family-clan, especially her most inventive and determinant mother, she investigates in a very delicate case, because the husband of her cousin is risking to be suspected of murder. Thanks to the very original protagonists, the dramatical events and the fluent, cheerful writing-style of Edie Claire you will highly enjoy every second of the reading of this book and having finished you will be asking for more! Please excuse me for making mistakes in my writing, I am German.

Kurzbeschreibung Sixth in the USA-Today and Kindle Top Ten bestselling Leigh Koslow Mystery Series! After a real-time, 10-year hiatus, Leigh and all her friends and family are back... and better than ever! It's been ten long years since Leigh Koslow last stumbled onto a body. She thought she had a reprieve. She was wrong. Hapless advertising copywriter Leigh Koslow, who was last seen joyfully announcing to her politician husband that she was pregnant, is now a middle-aged mom who is more than happy to leave the macabre pandemonium of her thirties behind. Unfortunately, Leigh's killer karma hasn't really deserted her... it's only been biding its time. When an innocent walk in the woods with her dog turns up yet another corpse, Leigh begins to get worried. It's bad enough that the victim is a client of her agency. It's even worse that he is the same unscrupulous real estate developer who's been conniving to bulldoze her Aunt Bess's homestead. And it would be a whole lot better for everyone in Leigh's family if her cousin Cara's husband hadn't brawled with the man in front of a churchful of witnesses an hour before the murder. But fate is what it is, and as Leigh's beleaguered friend, Detective Maura Polanski, sets out once again to save the Koslow clan from self-destruction, the women face their toughest battle yet. Because not only has Leigh failed to grow out of her inborn talent for trouble, she's bestowed it on the next generation... Praise for the Leigh Koslow Mystery Series: NEVER BURIED "A funny, fast-paced, clever, and unusual mystery that will have readers clamoring for more. Edie Claire writes with style and dash. Sheer delight." Carolyn Hart NEVER SORRY "Edie Claire is a bright new addition to the mystery world. Along with appealing characters and a blessedly lucid writing style, she delivers a solid plot that keeps the pages turning." Margaret Maron NEVER TEASE A SIAMESE "The fifth installment in this excellent series, and perhaps Ms. Claire's best yet. The characters and relationships are superior, written with heartfelt compassion and wry wit." No matter the genre, USA-Today bestselling novelist and playwright Edie Claire strives to infuse all her writing with both warmth and humor. Her family-friendly Leigh Koslow cozy mystery series, a favorite of animal lovers that was originally published in 1999, was reborn in 2012 to become a USA-Today bestseller. Her romantic novels range from women's fiction with romantic elements to a blend of romance and mystery, beginning with her traditionally published contemporaries, the award-winning *Long Time Coming* and *Meant To Be*, and continuing with her exciting new series of interconnected romantic novels, *Pacific Horizons*, whose characters follow the migration of the humpback whales to some of the most gorgeous locations on earth. In any Edie Claire work, the reader may be assured that intrigue will beckon and tensions will rise - but love will triumph and happy endings will abound!
