Von Marianne K. Martin : Never Ending before purchasing it in order to gage whether or not it would be worth my time, and all praised Never Ending:

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. OH MY GODDESS!Von Ein KundeWHEW! What a follow-up to LEGACY OF LOVE. To say it is touching is putting it mildly. If you believe that love triumphs over all, conquers hatred,fear and despair- heals wounds, then this book is definitely for you. It brought me to tears and has left me with such sweet and haunting memories. I only wish there

GillespieIn "Never Ending", Marianne Martin continues her excellent ability to develop strong, competent characters within a magical, entertaining story. This sequel to "Legacy of Love", is a touching love story, a historical novel, and a celebration of the strength of the human spirit and of confident, caring women, all in one unforgettable book. Ms. Martin depicts Sage Bristo's extraordinary effort to save her Native American heritage as a member of the Seneca's Clan of the Doe and, in the process, takes the reader through a gamut of emotions involving serious problems with her partner, Deanne and tense, life-threatening events with family members. This is a real, warm story with graceful and brave characters that will make you proud to be a woman. A worthy successor to her earlier books and I'm eagerly looking forward to the next. Never Ending is one book that is a must read.Von Ein KundeIn Never Ending we meet Sage Bristo and Deanne Demore from Legacy of Love. Sage must face the end of the Clan of the Dove unless she or Cimmie have a child. Marianne Martin does her usual exceptional job of creating a book that is a must read and one that ends too soon. I could have wished for 100 more pages. Don't miss this!!!

KurzbeschreibungMarianne K. Martin is a wonderful storyteller and a graceful writer with a light, witty touch with language and a sensitivity to the emotions of people in love. There is a tenderness and brightness to her characterizations that make the personalities quite beguiling. Ann Bannon, author of the groundbreaking Beebo Brinker novels Sage Bristo is a woman of conviction. Four years into her relationship with Deanne, Sage faces the limits of love, trust, understanding, and commitment, and the emotions run strong. As always, Martin keeps us hooked until the very last page. Among her varied careers, Marianne K. Martin has been a public school teacher, photojournalist, and collegiate coach. She currently resides in Ann Arbor, Michigan.
