GelungenVon ShadowriderWieder schafft es Edie Claire mit einer einfalls- und wendungsreichen Geschichte zu fesseln. Diesmal dreht sich alles um Caras verschollenen Vater - ist er ein gemeiner Verbrecher oder doch eher ein

liebender Gentleman-Gauner? Diesmal weniger ein Whodunnit als ein Gangster-Abenteuer aber dennoch definitiv lesenswert ...

Kurzbeschreibung Fourth in the USA-Today and Kindle Top Ten bestselling Leigh Koslow Mystery Series! "A well-paced, solidly plotted mystery... All the answers are not immediately apparent, keeping the tension high throughout... Leigh is a very likable character... Charming." The Mystery Reader No one told Cara why her father abandoned her when she was a baby. They had their reasons. Gil March is lying, he's sneaking around, and he's certainly not acting like his usual too-perfect self. But could he really be cheating on Leigh's cousin Cara? Leigh doesn't think so, but when Cara shows up in the middle of the night with tears in her eyes, Leigh is determined to find out. Little does she know that what Gil is hiding is only the tip of an iceberg. There are more than a few things her family hasn't told her about the circumstances of her cousin's birth and the reality is chilling. "A nicely twisted tale... light reading for a quiet evening." I Love a Mystery Originally published in mass market paperback by NAL/Penguin, Putnam, Inc. in 2001. Large-Print Edition published by Wheeler Publishing Inc., 2001. Synopsis Leigh's cousin Cara was never told the real reason as to why her father abandoned her. But despite a lifetime wondering, she has no reason to connect with the father she never knew with the fact that her once-doting husband is suddenly lying to her—much less the lurking danger that threatens their own young son. But the connection is real, and Leigh is not about to be swept up in the middle of it... whether she wants to or not!
