**Von Chevy Stevens : Never Knowing (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Never Knowing (English Edition):

Kurzbeschreibung At thirty-four Sara Gallagher is finally happy with her life, but there is one big question that still haunts her - who are her birth parents? Finally ready to hear the truth, Sara discovers that some questions are better left unanswered: her biological father is an infamous serial killer, a wanted man who has been slaying women every summer for over thirty years. And now he knows he has a daughter. Sara soon realises that the only thing worse than finding out your real father is a killer, is him finding out about you... Pressestimmen "Block off the weekend, grab a comfy seat and prepare for the rocket ride of your life! Never Knowing will consume you with the desire to read every page, gasp at every twist and know every last secret between one woman and her serial killer father." --Lisa Gardener, #1 New York Times bestselling author of Love You More
