to love Von -Kunde I read the whole series about the Kellingtons and it is a must. I just couldn't stop reading wanting to know about all family members' fate

Kurzbeschreibung Another Kellington brother finds love in the fourth book of Maureen Driscoll's Regency romance series. When Hal Kellington sees a respectable reform worker with the stockings of a courtesan, he's intrigued. When his friend wagers he cannot kiss the girl, he's challenged. And when he gets to know the spirited American, he realizes the stakes are higher than he could possibly imagine. Since arriving in England to live with her uncle and aunt, Melanie Sutton has been working to help London prostitutes start new lives in America. When they begin disappearing, she accepts the help of a notorious rake to track them down. But she soon discovers that resisting temptation is much easier preached than practiced. **NEVER RUN FROM LOVE** contains explicit language and adult situations. The earlier books in the series were **NEVER WAGER AGAINST LOVE** (Book 3), **NEVER MISS A CHANCE** (Book 2) and **NEVER A MISTRESS, NO LONGER A MAID** (Book 1), which USA TODAY'S HAPPY EVER AFTER blog called enjoyable, suspenseful and satisfying.
