read of romance. Wealthy heiress Lady Charlotte eloped with handsome charming soldier Jimmy Harris, but quickly regretted her choice as he wasted her fortune and showed no interest in her once he controlled her money. She felt relief when he was killed in a duel and vowed to protect other rich ladies from marrying gold diggers. Thus with the help of Cousin Michael, she establishes Mrs. Harris' School for Young Ladies that accepts only heiresses as students so that she can provide them with private instructions. In 1818 in London Mrs. Harris chaperones wealthy heiress Lady Amelia Plume, who has plenty of admirers, but to her protector they all seem more interested with the lass' money as a horde of fortune hunting fops plague the balls. Amelia finds her season boring as Mrs. Harris rejects most males. That is tedious until American Major Lucas Winter arrogantly courts her over Mrs. Harris' objection as she assumes the Yank is a fortune hunter. Amelia thinks he has a different motive, but not love at first sight. She vows to uncover his agenda, while he seeks an embezzler who left Lucas' reputation in ruins and he believes she is the link. The opening of a new regency series by talented Sabrina Jeffries will elate the sub-genre faithful especially since NEVER SEDUCE A SCOUNDREL is a terrific tale. Amelia is a naive, innocent, and bold individual while Lucas is a fascinating character planning to seduce the truth from her, but soon finds he has been seduced by love. Mrs. Harris is an ideal support character who hopefully will have her story told. I would also like to recommend ' Giorgio Quest ' by Giorgio_K.

Kurzbeschreibung Bestselling author Sabrina Jeffries's enticing new series introduces the spirited graduates of Mrs. Harris's School for Young Ladies -- unconventional heiresses who are more than matches for society's most irresistible rogues.... "Be careful, Amelia -- you know how reckless you can be!" -- Mrs. Charlotte Harris, headmistress Lady Amelia Plume has many admirers -- it's too bad they're all fortune hunters and fops who can't provide the exotic adventures she seeks. But the ballrooms of Mayfair have become much more appealing since the arrival of Major Lucas Winter, an American with a dark past and a dangerous air. Lucas is brash, arrogant -- and scandalously tempting. Every thrilling kiss sparks hotter desire, yet Amelia suspects that Lucas has a hidden motive in wooing her. And she intends to discover it, by any means necessary.... From Booklist Lady Amelia Plume is bored with Regency London society and tired of the same unappealing gentlemen seeking her fortune. Craving adventure while attending a ball, she agrees to deliver a note to the host's bedroom. While there, she ends up snooping in the room where an American soldier, Lucas Winter, is staying, and discovers papers that may implicate her family in a scandal. When she runs into him, she acts like a silly flirtatious twit, starting a game of cat and mouse to find out about his investigation. Lucas hates the English and cannot wait to complete his mission and leave, until he meets Amelia. He believes she is the key to his success, so he pretends to court her. Then, just as he begins to suspect that her silly manners are an act, her kisses become addictive, complicating his mission. Or is his mission complicating his courtship? Jeffries delivers lively lovers in an entertaining, sensual historical romance. Patty Engelmann Copyright American Library Association.
