first in a Glasgow based series
Von kashewI found the summary which I am pasting in as way of background."When a series of young women are discovered strangled and mutilated in a Glasgow park, it is up to DCI Lorimer to find their killer. Frustrated by a lack of progress in the investigation, Lorimer is forced to enlist the services of Dr Solomon Brightman, a young psychologist and criminal profiler. Together they form an uneasy alliance. But when a homeless man is brought in for questioning the investigation takes a bizarre turn ...Never Somewhere Else is a highly visual, stylish and powerfully written tale that leads the reader through the streets of Glasgow on a compelling journey of discovery that never fails to keep the pages turning."DCI Lorimer is a great character - dedicated, thorough and almost obsessive about his work, while still loving his long suffering teacher wife, Maggie. In addition to Dr Brightman, an attractive, other-worldly professor, there is Rosie, the attractive, sassy pathologist. Alex Gray has created a great cast of characters - many of whom we will have the pleasure of following in further DCI Lorimer mysteries.0 von 1 Kunden fanden die folgende Rezension hilfreich. Fieser PlotVon U. KruseAuch diese Buch ist wieder spannen geschrieben. Man hat das Gefhl, wenn man schon mehrere Bcher von Alex Gray gelesen hat, sich bestens in Glasgow auszukennen.
