Don't go to a zoo after darkVon Ein KundeAfter being fired from Peres and Lacey Advertising, Leigh Kaslow and several other ex-employees from their own agency, but a lack of capital leaves them in trouble. To supplement her income, Leigh hires on as a vet technician working with her former crush Dr. Mike Tanner. Mike used to work for Leigh's father. Her

interest in the doctor is rekindled, but this time he seems to reciprocate her feelings. One late evening after a tough surgery, Leigh spots a light in the tiger exhibit. She investigates and finds dry blood and body parts. Covered in blood, Leigh runs to get help. She thinks the victim is her old nemesis Carmen. The police charge Leigh with murdering her old enemy. Though frightened by it all, Leigh begins making inquiries to prove her innocence. Any one who knows Leigh Kaslow realizes she is fictional proof of a corollary to Murphy Law as she seems to always be in the wrong place at the wrong time. NEVER SORRY is a shock a minute as an amateur sleuth that is impossible to predict what happens next. Edie Claire keeps her audience on edge with her ability to produce one stunning event after another. Leigh is a likable character who will get inside the reader's soul and root for her to escape from her current woes. Ms. Claire is a wonderful story teller who provides a superb addition to the mystery genre. Harriet Klausner 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Winner Von Brenda NEVER SORRY follows NEVER BURIED as the second Leigh Koslow mystery. Leigh is a copywriter who is trying to get her new agency up and running, but until she can recruit more clients, she has to take a job at the Riverview Park Zoo to make ends meet. It's there she meets up with Mike Tanner, an old crush, and other "blasts" from the past. When the remains of a body are found by Leigh in the Tiger exhibit, Leigh gets herself trapped in a deadly game of "whodunit" that only her cop friend Maura, and her political candidate Warren, and her lawyer Katherine can help her out of. This is a riveting, mind-blowing book with an ending that will leave you in shock. This book is well written, and the plot is perfect for any mystery-lover. The characters are well formed and very easy to picture. Leigh comes across as a caring, strong-willed amateur sleuth. I loved this one, and with the cliffhanger Ms. Claire leaves at the end, I can't wait for the next one. 0 von 0 Kunden fanden die folgende Rezension hilfreich. An Excellent Read!
