Von Lindsay McKenna : Never Surrender (Shadow Warriors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Never Surrender (Shadow Warriors):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Wow, tolle Fortsetzung zu "Breaking Point"Von CoffeAndBooksDieses Buch wurde mir von NetGalley zur Verfügung gestellt This book was provided by NetGalley for review purposes.Cover: Despite her sweet nature, Navy medic Bay

Thorn's will is unbreakable. It has earned her not only the respect of her team, but also the love of Navy SEAL Gabe Griffin. And as soon as she wraps up the final six months of Operation Shadow Warriors in Afghanistan, she'll have her happily ever after. Until her deployment goes horribly wrong. Bay's medical expertise is needed by the Taliban, and she is taken hostage. Her captor is ruthless and cruel, and Bay isn't exempt from his evil intents. All that's left now is her resolve and the too-distant memory of Gabe her last and only hope for rescue. And to pull Bay from hell, this SEAL will have to break every rule in the book. But will Gabe find the woman he loves or a woman broken beyond recognition? Beware of SPOILERS in my REVIEW! Review: After reading the previous book *Breaking Point*, where we were introduced to Bay and Gabe, I was so happy to get my hands on the second part of their story (thanks, NetGalley!) - because as interesting *Breaking Point* was (a nice insight into military life) and with the romance between Gabe and Bay, both dealing with stress and their struggle to adapt into the "real" world during their deployment break, I felt that *Breaking Point* was not really "completed", the ending rather abrupt. And yes, their story continues in the book *Never Surrender* and that was something completely different - I did not expect this topic, especially not by Harlequin (sorry!), my favorite publisher for -mostly- easy going romances. *Never Surrender* is not really a stand alone, it needs the first book *Breaking Point* to understand the bond Bay and Gabe share and how they got together; in *Never Surrender* Bay is taken hostage and has to endure beatings and rape - until she manages to escape and gets rescued by Gabe (of course). Now, this could've easily turned into a cliché filled love story, but instead, it was a sometimes painful, sometimes sweet, but always a strong journey of two people, who rebuilt their life together. I have to admit, it was difficult to read (I tend to avoid mega dramas or traumatic stories for a reason! Let me roll around in my fluffly romances!) but Lindsey McKenna's writing style just pulled me in and made those two, Bay and Gabe, incredibly real. I don't want to go too much into detail (READ IT!) but let me tell you, that this story was sensitive, caring and despite the traumatic topics, a passionate read. Rating: 5/5 Notes: Totally different from the "mood" of Book Nr. 1, *Breaking Point*. However, I think, that it would've been better, if *Breaking Point* and *Never Surrender* were published as one book and not two, because even though both stories were different, they are not stand alones... and I'm not really a fan of the new trend to publish two part books or trilogies ;)

Kurzbeschreibung From Shadow Warrior to hostage Despite her sweet nature, Navy medic Bay Thorn's will is unbreakable. It has earned her not only the respect of her team, but also the love of Navy SEAL Gabe Griffin.
