KundenrezensionenHilfreichste Kundenrezensionen0 von 2 Kunden fanden die folgende Rezension hilfreich. Never Too RichVon Ein KundeThis is a great book. I read it in the early 1990's and it still is one of my all time favorites. It has a very bizarre serial killer. You will not know who he or she is until the very end. Contains somewhat graphic and violent content. But definitely worth it! You will not be able to put this book down.
