Andrew in Excess is Excessively Wonderful!Von Jacquie D'AlessandroANDREW IN EXCESS is one of the funniest books I've read in a long time. The heroine, Kat, is a delight from page one, with her quirks and her little dog Toto. And Andrew is fabulous! Watching Kat de-starch the stuffy Andrew had me laughing out loud. Every character, from Kat and Andrew, to the secondary characters are well-drawn and multi-dimensional. I cannot wait for another romantic comedy from the very talented Ms. LaBrecque!0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful story with charming charctersVon Jamie DentonWhen her 30th birthday rolls around, a lovely scientist decides to

remake her image, much to the dismay of her sexy boss, who decides to break his rule of never mixing business with pleasure. But his carefully laid plan goes haywire when he starts thinking about forever. **NEW AND . . . IMPROVED?** by talented author Jill Shalvis is a wonderful story with charming characters, funny scenes and a touching premise. 0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungAs far as Kent Wright was concerned, Becca Lewis was just fine the way she was. A little mousy, maybe, but a sweet friend and a darn good chemist. So why did she have to go and wreck it all by having a makeover? Now she looked like some sexy siren out of a lingerie catalog, and when it came to chemistry there was only one kind on Kent's mind!
