war. Selten war ich so hin und weg von einem Freebie! Es wird wahrscheinlich nicht viele Leser geben, die nach dem ersten Band aufhören können, da jeder einzelne Band (bis auf den letzten natürlich) mit einem riesigen Cliffhanger endet. Daher möchte ich hier sagen, dass es die komplette Serie auch als Box-Set gibt, was deutlich günstiger kommt als ein Einzelkauf. Was noch zu erwähnen ist: hot, hot, hot! Sehr detailliert beschriebener Sex - also nur für über 18-jährige!

Kurzbeschreibung Two University students collide in an explosion of sizzling sexual chemistry, but Gabe Austin is going to have to break down some of Mia Page's emotional walls if he wants to take possession of her heart, as well as her body. The Austin Series Box Sets are available, at a total discount of 33% compared to buying the six individual eBooks. Each box set has three books for the price of two. I thought I was going to be reading a college/YA book, but this book was completely different than what I was expecting and more. The whole book took me by surprise. K Howlett. This is a wonderful series that draws you into each and every emotion. Catherine "You can't help but to fall in love with Gabe. Mia and Gabe together, well what can I say, HOT, SEXY, STEAMY, AMAZING. These two truly sizzle." M. Thompson "Chelle" New Leaves, No Strings. Best friends Mia Page and Lexi Clarke start university and make a pact to turn over a new leaf. Tainted by their pasts, they're going to try and get over their commitment phobias. Mia's going to lose her virginity with hot, no strings attached sex. The rebellious Lexi's going to try ditching her one night stands in favour of attempting to have a relationship. What Mia didn't count on however was Gabe Austin, confident, sexy and irresistibly gorgeous, who quickly inserts himself into her life. Inextricably drawn to each other, their desire soon leads to a passionate encounter. Gabe's fears of abandonment and his domineering personality, along with Mia's own fears of attachment, threaten to derail his attempts to ensure she becomes his, heart, body and soul. Despite Mia's reticence, Gabe Austin is a guy who is used to getting what he wants. Just as he seems to have won Mia around, he goes and does something that could ruin everything. The Austin Series is six books in total, all written from Mia Page's point of view, and they are designed to be read in the following sequence: New Leaves, No Strings, Baggage Buttons, Forever an Engine, The Honeymoon Period, Love Loss, Infinite Love. Combining erotica with romance and humour, this is definitely not your typical New Adult series. It contains adult themes and sexual content, so is therefore only suitable for the over 18's. In addition, Destined (The Austin Series Prequel) is also available, written from Gabe Austin's point of view.

ber den Autor und weitere Mitwirkende I am a very young hearted 44 year old female from the United Kingdom. I enjoyed writing fictional stories as a child but, like many, long working hours in my career meant that I had little time for anything else. Finding myself in the fortunate position of now being able to work from home part time, I have been able to rekindle this long lost passion for storytelling.
