Von Helen Harper : New Order (Bo Blackman Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised New Order (Bo Blackman Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Super spannendVon Bettina GoebelHelen Harper schreibt wundervoll humorvoll und spannend. Man wird vom 1. Moment an gefesselt und mag das Buch nicht zur Seite legen. Ich kann ihre Bcher nur weiter empfehlen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Loved it.Von MinervaI really like Ms Harper's Bo Blackman series and its take on

"tribers". A great read. Although I was quite annoyed at not being able to download the second installment as a Kindle edition, I have to say the paperback was a pleasant surprise - it literally feels good with its velvety surface and makes for a nice retro reading experience. ;) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good story but not so much character development. Von Vess I like the story as it is quite entertaining and fast paced. Additional cool supernaturals hold the interest. However Bo's development goes in a direction I did not enjoy. She is still pretty much helpless and keeps crying over the fact that she is not human any more. She should be a strong character but somehow seems more like a pms teenager.

Kurzbeschreibung Bo Blackman is not adjusting to her new life as a fledgling vampire particularly well. Drinking blood sickens her and, despite her new enhanced physical skills and the attention she's receiving from Lord Montserrat, she's desperate to find a cure. When her illegal search takes her to the door of Fingertips and Frolics, a small family-run magic shop, she becomes embroiled in a dangerous game of tit-for-tat with murderous consequences. To complicate matters further, she's forced to also take on a case of apparent kidnapping. But with no ransom demand and a client she despises, it may be more of a struggle to solve than she realises. This is the second book in the urban fantasy thriller Bo Blackman series by the author of Blood Destiny.
