is annoying. If she could just talk to Ethan like a normal person most of their problems would be resolved. At the end of the last book Ethan went back to New York, Anna stayed in London, but they agreed to do a long distance thing. It is hard and pretty quickly Ethan realizes it just will not work for him. Either Anna will move to New York if she wants, but if she can't then he will figure out a way to move to London. He knows it will be hard to start over again in a new city, but he wants to be with Anna. Only Anna always acts like it is not really a big deal to her. She hurts Ethan without even knowing it with her blasé attitude, then gets upset instead of talking to Ethan and fixing things. I just wanted to yell at her at times. Like just talk to him!! Of course he is not going to do it now, you said x and now he thinks you wouldn't want what he was going to do. Why would he suddenly decide that you didn't mean what you said? He is not a mind reader! Goodness woman figure your stuff out and just talk to your guy. He is great, he loves you, he will do anything for you. He is willing to move to London to be with you just give him a break. It does all work out in the end, but Anna doesn't always make it easy. Still I enjoyed the story even if it was frustrating at times. This review was originally posted to Jen in Bookland

Kurzbeschreibung The Empire State Series concludes in New Year in Manhattan. Part One - A Week in New York Part Two - Autumn in London Anna and Ethan are separated by the Atlantic Ocean. Their previous rules no longer apply. In order to make things work, Anna needs to let go of her past and take a risk with Ethan. Ethan needs to learn how to deal with the ambiguity of a relationship. Long-distance relationships are never easy and their situation is fragile. For how long can it survive under the pressure of separation? Are either of them prepared to give up what they have for the other? But distance isn't the only obstacle Anna and Ethan face. Ultimately they have to decide whether they want to share a future together. Praise for The Empire State Series You will not be disappointed, this was an easy 5 star read for me. Summers Book Blog 5 I don't Bullsh*t Stars! If you haven't started this series, you need to now!! It's an easy, quick, and smooth read that you are sure to enjoy. Book Bitches Blog I am so hooked on this series! I am now a certified fan for life of Louise Bay! I love her writing style. I love her characters and how real they are. They could be dear friends and I am the voyeur following their lives. As You Wish sI've become a total Louise Bay junkie. Love everything I've read by her. Bare Naked Words I would give it 6,7,8, or 9 stars if I could. Obsessed with Books The Empire State Trilogy is one of the not only good ones, but GREAT ones. I am so in love with Ethan and Anna. Book Briefs I am so drawn into these characters. I love the interplay between Anna and Ethan and their group of friends and family. I feel like I'm part of the mischief and their budding relationship. Yeah, I'm definitely invested! Give Me Books Blog This series has been amazing. More Books than Livros Louise is most definitely an author that when she puts out a new book out I won't have to read the synopsis. It will def go on my TBR list. She is that good!! Mommys Late Night Book Up The continuation of Anna and Ethan's story was fantastic! I fell in love with both of them all over again. Another winner from Louise Bay! Recommended read. Mid-West Book Lovers Club I didn't think this series could outdo itself but boy was I wrong. And I was shattered at the end. A beautifully written love story ... Books Are Love This series is a must read and one that I am loving! Three Chicks and their Books Kurzbeschreibung The Empire State Series concludes in New Year in Manhattan.
