Von Adelle Waldman : New Year's: A Prequel to The Love Affairs of Nathaniel P. before purchasing it in order to gage whether or not it would be worth my time, and all praised New Year's: A Prequel to The Love Affairs of Nathaniel P.:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Mr Clark tiwaiVon BooksI feel like I'm taking a walk with someone telling me a story when I read Adelle Waldman, regardless of the book title. She writes with a style that strolls along so captivating that although you know you should

turn right, you go left just so that it takes a few more pages to get home.

KurzbeschreibungShe felt some part of herself relax when she was with him. She could shut off the part of her brain that was always monitoring whether she was talking too much, being 'selfish.'A few years before the start of The Love Affairs of Nathaniel P., twentysomething writer Nathaniel Piven admires a piece of published work by a young woman named Aurit Arazi, and writes her an email expressing his appreciation. After this introduction, they meet for a drink. At the time, Nate is dating gorgeous, moody Elisa, and Aurit has an older, successful novelist boyfriend named Carter, but Nate and Aurit become friends. In the months, even years, that pass, Nates and Aurits romantic partners change, but their friendship carries on. And then, one New Years eve, it seems that the nature of their relationship may change. Like many readers who got to know Nathaniel Piven in The Love Affairs of Nathaniel P., Aurit is pretty sure that, when it comes to relationships with women, he can be an asshole, but is there more to him than that? In New Years, author Adelle Waldman exposes the mating psyche of one brilliant young female writer, with the same shockingly accurate eye that brought the world Nathaniel P.
