**Von Henry Miller : Nexus: The Rosy Crucifixion III (Miller, Henry)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nexus: The Rosy Crucifixion III (Miller, Henry):

KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. an inspiring masterpieceVon Ein KundeMiller's account of how he wrote the Rosy Crucifixion touched me. The part where he smashed the cheesecake on the wall after Mona and Stasia had left him to go to Paris, then fell asleep only to wake up hungry,and having to eat that same cheesecake is one of the sections of the book which I regard as the finest

narrative piece of writing I have read. A must read!

Von Kristin Hogk  
Henry does not fake or pretend, nor does he bother to create a great picture for the reader. He writes what he thinks, feels, lives as authentically as possible. This means no great plot, no story, no smart characters, no fiction to feed the audience. To some it's just his everyday life that he describes, and still it's so much more. Why? Because he finds illuminating words and puts down fascinating thoughts. He reanimates you and raises you to another level, at least in case you're open for it, ready for it. I read him 10 years ago and wasn't touched at all. But now the moment was right.  
2 von 4 Kunden fanden die folgende Rezension hilfreich. Spiritual magma!!!!  
Von Ein Kunde  
Miller's most mature work is a hemorrhoid at white heat illuminating the depravity of heart and soul. This is a fire that smells of life.

Kurzbeschreibung  
Nexus, the last book of Henry Miller's epic trilogy *The Rosy Crucifixion*, is widely considered to be one of the landmarks of American fiction. In it, Miller vividly recalls his many years as a down-and-out writer in New York City, his friends, mistresses, and the unusual circumstances of his eventful life.
