**Von Michele McGrath : Niamh of the Golden Hair (Manannan Trilogy Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Niamh of the Golden Hair (Manannan Trilogy Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. good story, well presentedVon Hoener, BirgitFollowing the first book in this trilogy, this one tells the story of Niamh,

Manannan's daughter. Again, the quiet and calm narration style will not make readers bite their fingernails, but again, the same narration style is never boring, the plot well developed, and will keep the reader captivated. A well presented and narrated story which I enjoyed reading very much.

Kurzbeschreibung But who am I? What am I? Why does any mention of my father arouse such fear? Because you're a witch, like your father and his mother before him. Terrified of her father's powers if she comes to harm, Niamh's uncle arranges a marriage for her far away from her family home but she never arrives. On the journey, her horse throws her into a swollen river which carries her away. When she is rescued, she can no longer remember her name or anything about her past life. No one comes to inquire after her, so her rescuers decide to send her to the High King for help. Near the High King's stronghold, Viking raiders come upon the party and Niamh finds herself on a ship bound for unknown lands, the property of the warrior, Olaf. He keeps her with him and, little by little, she finds herself falling in love with him. But the future holds danger for both of them. Olaf's former lover, Kolgrimma, tries to kill Niamh. Olaf is seriously wounded in battle. Seeking help to heal him of his wounds, Niamh and Olaf journey to meet the Red Lady, Renny, and Niamh's father Manannan. Will Olaf and Niamh be able to find Manannan in the country that will one day be called Wales? Can the 'magician' heal him of his wounds? Will Niamh ever find happiness and peace? An Irish Sea Saga Journey through ancient Ireland, the Isle of Man and Wales. Set in the year circa 800 AD. The sequel to Manannan's Magic Watch for the third book in the trilogy, Emer's Quest. Enjoy Historical Fantasy? Buy this book today.
