**Von Elizabeth Amber : Nicholas: The Lords Of Satyr** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nicholas: The Lords Of Satyr:

KundenrezensionenHilfreichste Kundenrezensionen7 von 7 Kunden fanden die folgende Rezension hilfreich. Vielversprechender Auftakt einer neuen SerieVon LoveLetter MagazinNicholas ist zur Hilfe Satyr, zur Hilfe menschlich. Er ist der lteste der drei Satyr-Brder, die sich gemeinsam um die Familienweinberge in Italien kmmern und als Besztzer zwischen ElseWorld und EarthWorld ihrer Pflicht nachkommen. Vom Sterbebett aus befiehlt Knig

Feydon, den Brüdern seine drei verheimlichten Halbfeindkinder zu heiraten und zu beschützen. Jane, Nicholas' auserwählte Braut, ist schnell gefunden und geheiratet. Jane sieht in ihrer Vermählung einen idealen Ausweg, ihre mannigfaltigen Probleme zu lösen und eine sichere Zukunft für ihre jüngere Schwester zu garantieren. Sie hat jedoch nicht damit gerechnet, dass Nicholas in der gemeinsamen Ehe ihre komplette Hingabe und Unterwerfung verlangt ...Elizabeth Ambers Debt richtet sich vor allem an Liebhaber von europäischen Schauptzen und mythologisch angehauchten paranormalen Geschichten. Die Grundlage des Buches ist originell und frisch und verspricht gelungene Abwechslung in einem Meer aus Werwolf- und Vampirserien. Gebunden an die Tradition der Satyre, entwickelt sich die Liebesbeziehung zwischen dem Heldenpaar mit vielversprechendem Knistern und einem gekonnten Spannungsbogen, der sich bis zum gespannt erwarteten Ende erstreckt. Jane ist eine Heldin, die sich ohne Probleme in das Herz des Lesers stiehlt. Mit ihrer sympathischen und direkten Art stellt sie einen wunderbaren Kontrast zum mystischen und erotisch unheimlichen Nicholas dar. Dieser Roman bildet einen vielversprechenden Auftakt einer neuen Serie, die hoffentlich in diesem Sinne weitergeführt wird. (KW)7 von 8 Kunden fanden die folgende Rezension hilfreich.

Elizabeth Amber shoots straight up to my A-list shelf!!! Von AshleaghOMG! What can I say? Enthralling, catching, highly erotic and satisfying to the very core of your being! When you start reading this novel you're being pulled into the story and a world which you just cannot put down till you finished reading the last word written. I compare it to the forbidden fruit which you secretly do eat and afterwards enjoying the fact you can still lick the juice of your fingertips! And still Nicholas is whispering to me. This is definitely a story that will stay with you a while after you finished reading it. The story-lines of the Lords of Satyr are refreshingly new to me. I can't really say what kind of genre it falls into apart from the Erotic one - and Erotic it is - but it's holding a genre in the likes of fantasy/paranormal/historical. Never before have I read such scenes filled with wickedly delightfulness, described in a way it really comes across as erotical, and making you feel tingled up, nearly longing for Nicholas to cuddle up next to you, showing you what he's all about. In my opinion some books in this genre are very graphic: the story being more about the erotic scenes instead of the story. But when, like Elizabeth Amber, you are able to write Erotica Novels where you forget the genre and being pulled into a story filled with such passion, rituals, magic and love, then to me you are top-notch A list quality! Nicholas and Jane both are in their own way perfect for each other. It was so touching to see Jane needing to get used to what she was, trying so desperately all her life hiding her abnormalities and Nicholas just accepting her straight upfront for who she is. And Nicholas... - just purring perfect as a great man. Of course I had to put my own self aside when he had to relieve himself in a way I would never accept it from my man, but all things set aside, it did perfectly fit in with the story. And because it totally fit in the story and was described in such a way that you could clearly see the logic in it I was able to fathom it and accept it for what it was and needed to be for him. There was this amazingly perfect balance between the characters; the story and the world Elizabeth has created. I can hardly wait for the next novel to be released. After reading this novel, Elizabeth left me eager to read along and see what will happen with Raine en Lyon and not to forget Emma of course! Elizabeth Amber, straight away in this first novel, was able to set the strongly different characters of the Lords of Satyr to paper and to be honest - I just love Lyon! I'd say he's the rake in this bunch, the one who does as he pleases and does not feel like settling down really! I so am curious to see what he'll do once his time has come! I mean, this all came to me, especially after that one scene with him, a waterfall, and sex - that's all I'll say but once you read this novel you'll just know what I mean. Honest to say, Elizabeth Amber has totally baffled me with this novel, making it reach above all my expectations. Daring to shift things around, but not losing the fact it's still about two people emerging with each other in sacred vows and growing towards loving each other. To me this novel held everything I needed/longed to see back in a story and knowing as soon as Raine is out I'll be the first to dive into his story. Can't wait to see if he finally is able to find his bride - he had a somewhat more difficult time with seeking her out than Nicholas did and I say he's a bit frustrated about that! Elizabeth - don't make him wait too long - that'll be torture (wickedly grinning)! A slamming debut for an author that shoots straight up to my A-list shelf! Fantastisch - ein Mann nach meinem Geschmack;-) Von glauka Wenn's nach mir ginge würde ich gern mal so einen Halb-Satyrn kennenlernen... gut bestückt, ausdauernd und unheimlich gut aussehend. Mich hat am Anfang die Warnung der hinteren Umschlagseite ein bisschen verunsichert, aber es war nicht extremer als jedes andere gut geschriebene Erotik-buch!!! Und die Liebesgeschichte zwischen Nicholas und Jane war einfach glaubwürdig, auch wenn die beiden keinesfalls alltäglich sind oder normal. Super schön und hoch erotisch...

**Kurzbeschreibung** The last in a fabled line of otherworldly aristocracy, the Lords of Satyr are born to wealth, power, and a talent for sensual delight that mere mortals only dream of. Commanded to marry, these passionate men will travel to Rome, Venice, and Paris--and along the way will explore desires both shamelessly wicked and blissfully divine. . . He Had Sworn To Take A Proper Wife. He Hadn't Bargained On Meeting His Match. . . Nicholas looks very much like what he is--the handsome, successful heir to a vineyard in Tuscany. But Nicholas is much more, for he is one of the last in an ancient line of satyr men. And the dying king of ElseWorld wants him not only to marry, but to

wed one of the king's own daughters--a half-human, half-faerie woman unaware of her heritage. Nicholas won't shirk his duty to produce heirs to guard his race's legacies, but he never plans to make his bride his only lover. A satyr's sexual hunger and sensual skills are legendary. One woman will never satisfy him. Or so Nicholas believes until he meets Jane. As spirited as she is fey, as beautiful as she is innocent, she is nevertheless determined to make her new husband hers alone--and she's eager for him to teach her every deliciously carnal secret he knows. . . Nicholas: ". . .the leading man is the sexiest one this reader has seen in a long time!" --Romantic Times First place winner in Judge A Book By Its Cover, single title 2008, and in the First Coast Romance Writers, Beacon Contest. Placed or finished in 7 other RWA regional contests including the National Readers Choice Award. On the Nielsen BookScan list of Top 100 best-sellers ". . .keeps hold of your heart and mind."-- Joyfully ed, Recommended Read ". . .on my top ten favorite erotic books list. . .a double thumbs up. -- Night Owl Romance, 5 stars
