**Von Ernest Hemingway : Nick Adams Stories (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nick Adams Stories (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 4 Kunden fanden die folgende Rezension hilfreich. The novel Hemingway never wroteVon Ein KundeThough Hemingway did not, strictly speaking, write this book, he did writeevery word in it: except of course for the preface. The stories about Nick Adamsoriginally appeared in the Hemingway collections, In Our Time, Men Without Women, and Winner Take Nothing, all published before Papa was

40. Here they have been assembled in "chronological" order, i.e. in an order based upon Nick's apparent age in the stories, and have been "supplemented" with 8 pieces of Nick Adams material which Hemingway never published. The best of these "new" pieces is "Summer People," a moving and evocative story involving young lust. The most fascinating piece, for those interested in Hemingway the writer, as writer, and in his opinions on other writers, is the piece "On Writing." Perhaps the most provocative "might have been" is the unfinished novella, "The Last Good Country," in which Nick runs away from home to avoid arrest by game wardens, and is accompanied by his younger sister, "Littless." This assemblage does not, to be sure, create a Nick Adams novel, but it does allow the stories to build and accumulate, and to create thereby, perhaps, the semblance of a life. And yes, of course I had to use the information in the preface to assemble this review. I'm not a Hemingway scholar, you know.

0 von 0 Kunden fanden die folgende Rezension hilfreich. PerfectVon Ein KundeThis collection of short stories includes the most effective use of symbology that I have ever read. As such, it is important to find the deeper meaning behind Hemingway's words when reading The Nick Adams Stories. For example, look for the psychological significance of the fish, river, backpack, and swamp in Big Two-Hearted River. The collection is highly enjoyable and is an excellent introduction to other works by Hemingway.

Jeder der mal englische Bcher lesen will, tut sich gut an diesem, denn Ernest Hemingway verwendet in dieser Sammlung von Kurzgeschichten ein sehr leicht zu verstehendes Englisch. Das Buch ist ganz sicher kein groer Blockbuster, jedoch ist es leichte Kost und fr jeden zu empfehlen, der sich einfach mal abends hinsetzen will und ein paar Seiten lesen will. Fazit: sehr zu empfehlen!

KurzbeschreibungThe famous Nick Adams stories show a memorable character growing from child to adolescent to soldier, veteran, writer, and parenta sequence closely paralleling the events of Hemingway's life.
