Von Christine Feehan : Night Game (Ghostwalker Novel Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Night Game (Ghostwalker Novel Book 3) (English

Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Gut zu lesenVon Angelika HeimannAlles in allem ist das Buch gut und flssig zu lesen, doch es gibt auch einige Schwachstellen.Nach den ersten beiden Bchern der Serie ist es nicht so gut gelungen. Teilweise wiederholen sich die Textstellen (nicht im Wortlaut, aber im Sinn). Eigentlich bleibt die Geschichte auch immer die gleiche:Ein bersinnlich und krperlich weiterentwickelter Soldat er Sondereinheit, "verliebt" sich in eine Frau, die zufllig im selben Ma weiterentwickelt wurde. Auch finden sie noch heraus, dass ihnen die Anziehungskraft mit Pheromonen aufgezwungen wurde. Zuerst struben sich die Frauen, geben sich den Mnnern aber dann doch hin.Ich hoffe, dass Feehan mit dem nechten Buch mal etwas neues hineinbringt.3 von 4 Kunden fanden die folgende Rezension hilfreich. what a great book!Von A.H.Like the two first books in the game-series, it's a great read with lots of stimulating scenes. It's definitely worth 5 stars, though I tend to think that Flame is a teensy weensy bit too careful. But then, it's kind of understandable, considering her abilities.I especially loved the last scene and Gator's part in it! He's a truly great guy, a little kinky, but hey, don't we all love him for this?However, I have one very big point to criticize: Could you PLEASE change back the format of the book?!!! It's truly awful to read, plus who had the idea to change the format during the series??? I swear, if I find the book later on in a "normal" format, I'm going to sell the one I have now faster than you can say it's title!

KurzbeschreibungIn this suspenseful...captivating (Publishers Weekly)novel in GhostWalker series, #1 New York Times bestselling author Christine Feehan tracks the desperate steps of a wanted womanbetrayed, avenging, and dangerously irresistible Gator Fontenot of the Special Forces paranormal squad cant refuse an urgent request to save the elusive Iris Flame Johnson, a victim of the same horrific experiments that warped Gator. Now unleashed, shes a red-haired weapon of unimaginable destructive powers, a walking time bomb bent on revenge in the sultry bayous of New Orleans, and hunted by a shadowy assassin. Its Gators job to reel Flame in. But can two people haunted by violent betrayals trust the passion that soon ignites between them? Or is one of them just playing another seductive and deadly night game?From Publishers WeeklyAt the start of bestseller Feehan's suspenseful third GhostWalker novel (after Mind Game), Raoul "Gator" Fontenot, a member of the Special Forces paranormal squad known as the GhostWalkers, is looking for Iris "Flame" Johnson, who, like Gator, was a subject of genetic engineering by the late Dr. Peter Whitney. Though Whitney's treatment left Flame with superior physical strength and hearing, he also used her as a guinea pig, deliberately giving her cancer in order to further his research for a cure. After Gator finds Flame in the steamy bayou country outside New Orleans, the pair team up to search for another young woman who has mysteriously disappeared, as clever assailants dog their every step. Though Flame and Gator are endowed with superhuman skills, this captivating story's paranormal aspects never overshadow the sexual tension between them. Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved.From BooklistFeehan's talents seem to grow with every book. The third installment in her Game series sends Cajun ghost walker Raoul "Gator" Fontenot back to his Louisiana bayou home to search for Flame, a survivor of Dr. Whitney's diabolical genetic modification experiments. Flame, who has psionic sonic talents, is in the New Orleans area searching for a missing singer who happens to be a friend of Gator's family. Finding the knife-flinging, rocket-riding redhead quickly is important because lab records show that Flame was intentionally infected with cancer. Gator's work is cut out for him as he first tries to find the elusive beauty and then convince her that he is one of the good guys as they team up to find the missing singer. Gator's wonderful, bright, and intuitive grandmother and warm familial relationships add depth to the story. And Feehan's ability to craft believable characters thrown together in wild, action-packed circumstances makes for a satisfyingly sexy romance. Donna SeamanCopyright American Library Association.
