KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Looking For A Groovy Beach Book?Von Ein KundeSummer is already here in Florida. Put away the Bukowski, Fitzgerald, Stryon and pull out the cheesy thrillers perfect for the beach. Chills and thrills are my summer game as long as it's not a tale about a lonely rich (young) and beautiful widow who falls in love with her handyman. This one had "beachy" stamped on the cover and I bought it. I was more than pleasantly surprised. In the world of paperback thrillers, it was a

page turner with plenty of twists and a great insight into the grown up lives of former beauty queens. It's not one of the classics, but a better than average summer read about a killer stalking four former pageant winners. It's fun - read it!

Kurzbeschreibung Then she is young, she is in love, and she is the first runner-up in a San Francisco beauty pageant. Regina Van Raven's head is filled with hopes and dreams but they're shattered in one unspeakable instant when a psychopath, obsessed with the destruction of feminine beauty, attacks her friend Corinne--the pageant winner. Corinne's life is destroyed forever and the horror lives on in Regina's heart. . . Now Regina's memories of the ill-fated contest have finally begun to fade. She has a successful career in television, a beautiful seventeen-year-old daughter, a whole new life. It sounds like fun when a talk show host invites the five 1970 finalists for an on-the-air reunion. But someone is waiting in the wings, ready to strike again. . . and again. Now it's Regina's turn. *******BONUS EDITION:** This edition includes the short story, Shattered Crystal. 2/5/12 This is a NEWER edition. Revised, trimmed, formatted and repackaged. Formerly titled SKIN DEEP.
