**Von Bj James : Night Music (Mills Boon Desire) (The Black Watch, Book 2)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Night Music (Mills Boon Desire) (The Black Watch, Book 2):

I was hooked from the incredibly intriguing Prologue and came away from the Epilogue with a sense of closure and satisfaction that is the hallmark of a great read. Along the way, I enjoyed the magic of what James does so well--creating the strongest possible sense of time and place for her characters to act out their story.And what a story this one is. Kate and Devlin are two strong, highly skilled people, both of whom have been battered by loss and by guilt. Only through their developing love for one another are they able to find self-forgiveness.I can't think of another author who gives me as

much story, character development, and atmosphere as James. The fact that she manages all that--and manages it so well--within a short category Desire speaks volumes for her talent. This book is not to be missed. Of course, none of hers are! I hope you have already discovered that. If not, enjoy NIGHT MUSIC and you certainly will.

KurzbeschreibungThe seductive melody on the night air had caught Devlin O'Hara's attention, and the hauntingly beautiful woman who created the music captured his heart. Devlin didn't know if Kate Gallagher was sinner or saintwhat he did know was that he wanted to claim her for himself. Kate, struggling with her own loss, was wary of the handsome O'Hara, who had trespassed into her sanctuary. Now the explosive emotions he stirred inside her warred with her instinct to protect her heart. But nothing had prepared Kate for the searing passion that awaited in Devlin's powerful embrace.
