Von Stephen Hunter : Night of Thunder: A Bob Lee Swagger Novel (Bob Lee Swagger Novels) before

purchasing it in order to gauge whether or not it would be worth my time, and all praised *Night of Thunder: A Bob Lee Swagger Novel* (Bob Lee Swagger Novels):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Arcade-Thriller der SpitzenklasseVon PeterEin echter Page-Turner!Wer ein Freund des gepflegten Action Thrillers ist, hat mit "Night of Thunder" auf jeden Fall seinen Spaß. Ich persönlich bin ein echter Fan von Stephen Hunter und seinen Bob Lee Swagger-Büchern, dieses hat die gewohnten Qualitäten, ist aber trotzdem erfrischend anders geschrieben, den Familienmenschen Swagger kannte ich noch nicht so gut.Natürlich sollten Menschen, die anspruchsvollere Literatur suchen, die Finger von Büchern wie diesem lassen...0 von 0 Kunden fanden die folgende Rezension hilfreich. Top!Von Kuferin ADiese Bob Lee Swagger Reihe ist wunderbar! Angefangen mit dem ersten Buch und nun weiter und weiter bis alle durch gelesen sind. 1 A Ware und vor allem sehr sehr interessant geschrieben. Leicht verständlich, trotz englischer Sprache. TOP!1 von 2 Kunden fanden die folgende Rezension hilfreich. Spannend, sehr cool.Von F. BaderWieder ein neuer Swagger ... mit Nick Memphis und einem durchgeknallten Rennfahrer.Diesmal wird's mal wieder persönlich da Swaggers Tochter mit im Spiel ist.Muss man gelesen haben, spannend, kaum wegzulegen. Teilweise sensationelle Action.

KurzbeschreibungNew York Times bestselling author Stephen Hunter sends former Marine sniper Bob Lee Swagger deep into the heart of NASCAR country in this action-packed thriller.Talk about a ride! Woe unto he who crosses Bob Lee Swagger, especially when his daughter's life is at stake. Forced off the road and into a crash that leaves her in a coma, clinging to life, reporter Nikki Swagger had begun to peel back the onion of a Southern-fried-conspiracy bubbling with all the angst, resentment, and dysfunction that Dixie gangsters can muster. An ancient, violent crime clan, a possibly corrupt law enforcement structure, gunmen of all stripes and shapes, and deranged evangelicals rear their ugly heads and will live to rue the day they targeted the wrong man's daughter. It's what you call your big-time bad career move. All of it is set against the backdrop of excitement and insanity that only a weeklong NASCAR event can bring to the backwoods of a town as seemingly sleepy as Bristol, Tennessee. A master at the top of his game, Hunter provides a host of thrilling new reasons to read as fast as we can. When Swagger picks up peeling where his daughter left off, and his swift sword of justice is let loose, we find a true American hero in his most stunning action to date. And in the form of Brother Richard, a self-decreed Sinnerman out of the old fire-and-brimstone traditionHunter offers up his most diabolical, engaging villain yet. A triumph of story, character, and style, *Night of Thunder* is Stephen Hunter at his very best.From Publishers WeeklyNear the start of Hunter's cartoonish fifth Bob Lee Swagger thriller (after *The 47th Samurai*), Nikki Swagger, the series hero's journalist daughter, is seriously injured when a hit man runs her car off the road in Tennessee hill country. Despite Swagger's fears that the legion of enemies he's made over the years are responsible for the attack, the former marine leaves Nikki vulnerable to another attempt on her life in the hospital where she's being treatedan attempt foiled only by chance in the nick of time. Such plot-driven implausibilities are rampant as Swagger investigates his daughter's recent assignments, which lead him to drug-running along the Tennessee-Virginia border and to a NASCAR event. At the violence-filled conclusion, one of the supporting characters, in keeping with the book's overall arms-length relationship with realism, says, In some perverted way, I think everybody who didn't die or lose their business kind of enjoyed it. Hunter fans may feel similarly. (Sept.) Copyright Reed Business Information, a division of Reed Elsevier Inc.
