Von David Dalglish : Night of Wolves (The Paladins Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Night of Wolves (The Paladins Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Standalone Prequels zur Half-Orc-Serie Von LSE Die (bisherigen) 3 Bände der Paladins stellen eine (loose) zusammenhängende Serie dar. Als Kenner der Half-Orc Serie hat man Vorteile und etwas mehr davon, aber Vorkenntnisse sind nicht unbedingt erforderlich. Die beiden Helden, sind Jerico, ein Paladin von Ashhur und alter

Bekannter von den Half-Orcs, sowie Darius, ein Paladin von Karak und neuer Charakter, der in Kontakt mit Velix (der zweite Bezug zu den Half-Orcs) kommt. Zeitlich spielt die Handlung vor den Ereignissen aus der Half-Orc Serie zum Zeitpunkt des Falles der Citadell, und vermutlich nach oder parallel zu Shadowdance. Oertlich befinden wir uns im wilden Norden von Mordan, sodass wir geographisch wieder etwas neues von Dezrel kennenlernen. Gesamturteil: nette Charakterstudie. Wer die Half-Orc Serie mochte, wird seine Sammlung von David Dalglish gerne mit diesen Baenden vervollstaendigen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Good Book Von bjgaulton An enjoyable read worth buying. The book develops the characters well and you find yourself caring about what happens to most of them. I am looking forward to reading the next parts in this series. 0 von 1 Kunden fanden die folgende Rezension hilfreich. gut Von Gordon N. Gutes fantasybuch in typischer dd art ohne ein dd buch zu sein. Spannend. Gute Charaktere, auch mit Schulenglisch gut zu verstehen.

Kurzbeschreibung "The humans are weak. Their skin is soft, and their minds dull from years of safety. We are the vicious. We are the destroyers. Come the full moon, when our goddess watches our victory, we will taste of their blood!" ---- Wolf-men, savage creatures given humanoid form in an ancient war, mass along the Gihon River. Led by their packleader Redclaw, they seek to cross the river and claim a land of their own, slaughtering those that would stand in their way. Two paladins, Jerico of the god Ashhur, and Darius of the god Karak, must helm the desperate defense against the invasion. Their friendship will be tested as their gods resume an unending war, and their very faiths call for the death of the other. Together, friend or foe, they must face Redclaw's horde. NIGHT OF WOLVES by David Dalglish Can faith remain when the gods call for blood? ----- About the Author: David Dalglish currently lives in rural Missouri with his wife Samantha, daughter Morgan, and snake, Velixar. He graduated from Missouri Southern State University in 2006 with a degree in Mathematics and currently spends his free time watching Spongebob Squarepants with his daughter.
