Von Clive Cussler : Night Probe! (Dirk Pitt Adventure Series Book 6) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Night Probe! (Dirk Pitt Adventure Series Book 6) (English Edition):

Dirk Pitt vs. "James Bond"Von Todd WylieClive Cussler's books are one of my true guilty pleasures. It's similar to when you tell a friend whether they should see a movie or not--pay full price, matinee, wait till video, or don't bother. With books its--hardback, wait for paperback, hope your library has it, or don't bother. Clive Cussler is hardback all the way. Fortunately for those of you new to the Dirk Pitt Novels, you can get hardback quality at a paperback

prices. This is a great place to start this series. Dirk Pitt takes on James Bond--Ok not the REAL James Bond, but I'd like to think that the outcome would be the same. The entire North American Treaty concept is engrossing, and the plotting is fast and furious. This book is in the upper tier of Cussler Novels, along with Treasure, Cyclops, Dragon, and Deep Six. Enjoy.

In chronologischer Reihenfolge gesehen, ist das bislang beste und fesselndste Buch der Dirk Pitt-Reihe. Auch wenn bereits sehr gut war, wird dies von meiner Ansicht nach noch uebertroffen. Die Handlung beginnt genau einen Monat nach Abschluss von , im Februar 1989, und handelt von der sog. North American Treaty, ein Vertrag, der 1914 zwischen den USA und Grossbritannien geschlossen wurde und der die Abtretung Kanadas an die USA vorsah. Zwei Schrittstuecke wurden auf den Weg gebracht... beide erreichten nie ihren Bestimmungsort. Saemtliche Beweise wurden vernichtet, versteckt und vergessen... bis sich im Jahre 1989 ein Indiz auffindet, das die Geschichte wieder zum Leben erweckt. Ein Wettlauf beginnt, der durch die politischen Unruhen innerhalb Kanadas (Quebec erstrebt die Unabhaengigkeit) noch weiter forciert wird. Wer bekommt seine Haende zuerst an das wertvolle Schriftstueck? Was geschah damals wirklich? Und was passiert eigentlich, wenn es wirklich gefunden werden sollte? Ein tolles Buch, gut recherchiert (Quebecs Absicht zur Unabhaengigkeit, Orte und Begebenheiten, Unterwasserdetails) und fesselnd bis zur letzten Seite. 5 stars!!!!

Von Ein Kunde I have always loved the way that Clive starts his stories with a distant event or tragedy, and then brings it to modern times. Night Probe offers two distant disasters that are somehow related. It's up to Dirk Pitt, Clive's main character, (and you) to solve the puzzle. I thought I had the mystery solved, (especially the missing train... just where is that thing hiding?) but one by one my guesses came up empty. I think I figured it all out about five seconds before Dirk did. (So, I did out-guess him, right?) It takes an exceptional author to pull that off. And Clive knows how to keep the reader happy. This book has ranked as one of the top ten books I've ever had the pleasure of enjoying. (Of course, a lot of Clive's work is in my top ten.) Night Probe is a wonderful start to anyone just discovering Cussler's writing, or, if you've read his latest, exploring Dirk's past

Kurzbeschreibung May 1914. Two diplomats hurry home by sea and rail, each carrying a document of world-changing importance. Then the liner Empress of India is sunk in a collision, and the Manhattan-Line express plunges from a bridge - both dragging their VIP passengers to watery oblivion. Tragic coincidence or conspiracy? In the energy-starved, fear-torn 1980s, Dirk Pitt discovers that those long-lost papers could destroy whole nations, throwing him into his biggest challenge yet. Racing against hired killers, he launches his revolutionary deep-sea search craft and faces the horrors of the sea bed to hunt for the documents. 'Night Probe' has begun . . .

Pressestimmen Praise for Night Probe! and the Dirk Pitt novels A rich tale . . . an absorbing, carefully told mystery with plenty of surprises. Los Angeles Times Dirk Pitt is a combination James Bond and Jacques Cousteau. New York Daily News Werbetext Terror and assassination, deadly international intrigue . . . Another devastating drama from the grandmaster of adventure.
