Cape Cod true blue Yankee Piper Macintosh is unhappy that he eccentric great Aunt Hannah sold her property to rich and reclusive Texas tycoon, Clate Jackson. This action leaves Clate and Piper as neighbors. New Age fanatic Hannah believes that the selling of her property to the ornery Southerner will force her beloved grand-niece to meet her soul mate. Piper, who likes her current lifestyle, wants nothing to do with Hannah's hand picked suitor. Fate resides with Hannah when Piper's life is threatened. The emotionally wounded Clate reaches out to help the independent damsel in distress. As danger engulfs them, the mismatched pair discovers a love that defies all logic. ....  
Carla Neggers has always incorporated her own special down home humor into her story lines, turning each tale into a treat to be savored. NIGHT SCENTS follows that tradition, but goes one step further as her writing makes this sensory experience almost worth dying to read. Ms. Neggers has clearly joined the romantic intrigue elite such as Kay Hooper and Iris Johansen. ....

Hanna, Piper und Clate erscheinen mir die Charaktere nicht besonders lebendig. Auer das sie irgendetwas tun, was oben genannte Personen beeinflusst, haben sie kein eigenes Leben, jedenfalls keines, dem besondere Beachtung geschenkt wird. Dadurch wirken sie etwas leblos - zumindest lebloser als die Hauptcharaktere. Die Kriminalgeschichte bzw. die Jagd nach dem Schatz und der Bsewicht sind meines Erachtens etwas unausgegoren. Nichtsdestotrotz ist es ein gutes, amantes, aber eben kein hervorragendes Buch.

Carla Neggers introduces us to the most wonderful and unusual characters. Her palette of people is unique and splendid. It warms the heart to turn the pages of her book. Humor is interspersed with romance and intrigues to create a web of silky substance that ensnares and entertains. The end comes way too fast.

Kurzbeschreibung  
Carla Neggers has a magic touch for weaving spine-tingling suspense with romance so sensual it takes your breath away. Here she's at her best, in a delightful potpourri of dangerous intrigue, enchanting wit, and spellbinding desire.... This time Piper Macintosh's great-aunt has really gone too far. Eighty-seven-year-old Hannah, who fancies herself a witch, has sold her historic Cape Cod house to a Tennessean whom she claims is the man for her niece. Piper doesn't think they're a likely match -- particularly not after she meets the reclusive tycoon while trespassing in his garden. Clate Jackson has come to the windswept Cape to forget, not to get involved with the woman who's digging up valerian root for her great-aunt's crazy potions. But when Hannah reveals an old family secret and warns of danger on the horizon, Clate reluctantly works with Piper to solve a long-ago murder. Unraveling the secrets of Clate's past, however, will take what only Piper can supply: her healing love and her own boldly passionate heart.....

When Piper Macintosh learns that her quirky great aunt has sold her historic Cape Cod home to a stranger, she just rolls her eyes. Eighty-seven year old Hannah has always done things her own way. Southern businessman Clate Jackson doesn't understand what compelled him to buy the historic home of a self-proclaimed witch. Hannah claims she brought the Tennessee native to town for her niece because Piper needs a man, and there aren't any good ones to be found locally. Although Piper is embarrassed by her aunt's obvious machinations, she finds herself attracted to Clate. When Hannah reveals that she has been haunted by an age-old family secret, Piper and Clate bond together to protect Hannah from the past. Is it just another ploy of Hannah's to bring the couple together, or is there really danger in the small New England town?
