**Von Kat Martin : Night Secrets** before purchasing it in order to gage whether or not it would be worth my time, and all praised Night Secrets:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Okay book done many times before.Von Danielle JoachimWhen I started reading the book, I was excited about starting

another Kat Martin book, because she is one of my favorite authors. Well, I thought the first half of the was really enjoyable, and if Ms. Martin went along the same lines as the first half the book I would have given the book 5 stars. Unfortunately, Ms. Martin makes a wrong choice by separating the characters. From that point I believe the book falls apart. Brianne, or Brandy as she is referred to by everyone in the book, except by Marcus and the back of the book, is a tarven worker who wants to escape her demanding father. She does so by sneaking aboard Captain Marcus' ship. At first the Marcus is mad at Brandy for sneaking aboard his ship but realizes his true feelings for her. Brandy, of course is already in love with the handsome captain. The paradise must come to an end though and Brandy goes back home and Marcus sets off for the Orient. The two part thinking that they will never see each again. And this is where the book falls apart. Marcus, because of sabotage to his ship, is injured and no longer has the use of his legs. The ever brave Brandy rushes to his side. The rest is standard format for injured male and female romance. Man is ashamed of his new state and would rather remain hidden from the world while girl is still in love with her hero no matter if he has legs are not. If you read this story line before, don't waste your time on this book, if you reads one book like this then just apply the same situation to this book and you got the plot.0 von 0 Kunden fanden die folgende Rezension hilfreich. excellent historical romance that tastes of sea airVon Ein KundeIn 1803 Charleston, Brianne "Brandy" Winters dreams of seeing the world. However, females, especially daughters of tavern owners, have no chance of visiting even the rest of the Carolinas. When a rare chance presents itself, Brandy sneaks on board the Seahawk. She always loved the captain, Marcus Delaine, but he never reciprocated her feelings.At sea, Marcus finds Brandy stowed aboard his vessel. He begins to fall in love with her, but decides to take her home because his ship has been jinxed with dangerous accidents. After dropping her off in Charleston, Marcus returns to his first love, the sea. However, he suffers a crippling injury that makes him a landlubber. Brandy tries to show Marcus that their love can overcome anything if he would just let it be.NIGHT SECRETS is an exciting historical romance that will garner much acclaim for the talented Kat Martin. The story line is filled with dangerous passion and non-stop action that leave readers tasting salt water as if they sailed along side Marcus. Brandy knows what she wants and is a bold angel willing to go after her desires. Marcus is a complex protagonist, who elicits fantasy moans from the audience. Ms. Martin has written one of the year's best Americana romances.Harriet Klausner0 von 0 Kunden fanden die folgende Rezension hilfreich. Typical bodice-ripper but fast-paced and enjoyableVon twiga314@aol.comThis is the first book I have read by Kat Martin, and I liked it. I have to admit, I chose it because I specifically wanted a light read, but I also wanted to be entertained, and I was. It was one of the most sexually charged bodice-rippers I've read, and that certainly helped to keep my attention! The only things which marred my enjoyment of the book were the anachronisms throughout the book in terms of use of language and attitudes. Kat Martin was inconsistent in her terminology, and Brianne's persona was too modern-day to be believable for that time period. No woman as hungry for freedom and adventure as she was supposed to have been would have put up with Marcus Delaine for one minute, no matter how attractive he was. His injury and subsequent rehabilitation were presented unrealistically and the conclusion of the story was banal. However, I would read more of her books. Although one could see where the story was going, the fast pace held one's interest.

KurzbeschreibungBook after book, New York Times bestselling author Kat Martin wins extraordinary acclaim from readers and reviewers alike, for her fresh, sexy novels that combine adventure, wit, and romance. Now in Night Secrets, Kat takes you to England, America, and the high seas for a tempestuous voyage of the human heart-a journey you'll never forget...Their passion was a force of nature, as wild and powerful as the seaThey came from opposite worlds: Brianne, a young woman trapped in a life from which she longs to escape; and Captain Marcus Delaine, the Earl of Hawksmoor, a man whose heart and soul cannot be touched by anyone. When Brianne briefly stows away on his ship, their lives are filled with beauty and passion...But when tragedy strikes, Brianne and Marcus are torn from each other, and the love between them is buried beneath the agony of betrayal. Traveling to England, Brianne is determined to touch the heart of the vengeful, embittered man Marcus has become...even if it means losing him forever.Pressestimmen"Kat Martin delivers what readers desire: an exciting, sensual, engrossing romance whose characters use the power of their love to give them strength." --"Romantic Times"Praise for "Night Secrets""Sensuality and mystery with a strong love story."--"RT Book s"" "A whirlwind that pulls the reader into a romance filled with...passion."--"Rendezvous "Praise for "Night Secrets" Sensuality and mystery with a strong love story.
