**Von Lithier : Night Visitor (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Night Visitor (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. well written, intense sexing Von Vincent Jacobas usual Lithier delivers what he promises, hot steamy poundings, well written, loved it; although I actually prefer my bedtime stories with a little more fleshed out characters, but then again I

guess that wasn't the point of this story^^intense, tightly packed nighttime fantasy; if you're in it for the sex, this totally delivers;great atmosphereworth it

KurzbeschreibungIt's the middle of the night, and you can't sleep. Lying alone in the lingering summer heat, you shiver under a sudden, unexpected touch. Night Visitor is a brief but intense furry fantasy about what you feel, but dare not turn to see. About being used, in silence, and loving it.Warning: This story contains intense, graphic sexual scenes featuring the following themes: Male/Male, Anal Sex, and Sex with a Stranger.KurzbeschreibungIt's the middle of the night, and you can't sleep.
