Von Melanie Jackson : Night Visitor (Timeswept) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Night Visitor (Timeswept) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 6 Kunden fanden die folgende Rezension hilfreich. Melaine Jackson delivers will a fey touch!!!Von Deborah MacgillivrayI am an avid reader of Romance, I owned a small

bookstore for three years, lived half of my life in Scotland, I am a writer of Scottish Lore of the Picts, and run a community at MSN dedicated to writers and readers of Romance, so I become rather picky when it comes to dealing with Scottish History in Romance. Melanie Jackson blends her obviously love of Scotland with the fantasy touch of fiction in a bewitching brew. Dead on history is guaranteed when you read Jackson, who writes in a captivating voice and a true understanding and love of the genre. Based upon a true incident in Scottish History about the Piper of Duntrune Castle, Melanie gives you a light touch in fantasy, with very vivid character that leap off the pages. She is one of the brightest stars in romance today and each book is cement that!!! An Absolute must!!! If you have missed reading her before, don't put it off any longer.... WISE Writers and Readers' BOOK OF THE MONTH for May 2001 and tied for BOOK OF THE YEAR for 2001 (with Always by Lynsay Sands)

Kurzbeschreibung All Scots know of the brave piper who gave his life so long ago. Malcolm "the piper" calls to Taffy so insistently, across the winds of night and time and looking into her heart, Taffy knows there is naught to do but go to him. In fact, one of her earliest fond memories is receiving an IBM Selectric typewriter for her birthday. After publishing romance novels (Scottish historical and paranormal) from 1999 to 2010, Melanie chose to begin self-publishing cozy mysteries. Since then she has released the Chloe Boston, Butterscotch Jones, Wendover House, and Miss Henry Mystery series. Melanie Jackson is the award-winning author of more than seventy novels, novellas and poems published in various languages. She lives with her writer husband, her bossy cat and spoiled dog in the Sierra foothills where it is almost impossible to grow pumpkins (or anything else the deer like). Besides gardening, she is involved with animal charities.
