Von Gwyneth Atlee : Night Winds (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Night Winds (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. GenialVon UihUijEine wirkliche tolle Geschichte, die so viele Wendungen hat das sie extrem Spannend und Aufregend ist. Auch die Erzhlung zu dem Hurrikan und der berflutung finde ich echt Klasse! Das Buch spielt im Jahre 1875, was ich auch wirklich interessant fand.0 von 0 Kunden fanden die folgende Rezension hilfreich. Atlee does it againVon Ein KundeGwyneth Atlee melds the heat of the Texas Gulf Coast with a hurricane force romance that will

leave the reader breathless. A must read for Atlee fans, and anyone else who loves a great story

KurzbeschreibungPreviously released by Kensington Publishing Corp.:Since her mother vanished years before, Shae Rowan's embittered father has kept her a virtual prisoner of their Gulf Coast home. To escape his tyranny, she reluctantly agrees to marry the selfish heir to a shipping fortune. But all that changes when she meets a handsome stranger on the beach and suddenly finds herself giving in to dangerous, unyielding passion.Phillip Payton's unconventional beliefs have left him embittered and isolated until Shae captures his lonely heart and gives him the strength to fight society's expectations. With a great storm bearing down on the island, Phillip helps his new love uncover the truth about her mother's disappearance. Discovering it could shatter what they share . . . or forge a bond that can never be broken.
