Von Stephen Leather : Nightmare (The 3rd Jack Nightingale Supernatural Thriller) before purchasing it in order to gage whether or not it would be worth my time, and all praised Nightmare (The 3rd Jack Nightingale Supernatural Thriller):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. This Nightmare will haunt You 'til Eternity, Jack Nightingale!!!, Von Miki101.Micha The words of an evil Devil, You might say...And even if You never were some great believer in the supernatural, the life after death, paradise and hell,

Good and Bad, You have to admit that EVIL exists. From the very beginning and until the Hell might freeze - EVIL, clear and simple evil, had, has and will have forever the greatest influence on the fate of humanity. In some beliefs of Mankind Evil tempted Eva to seduce Adam. The result? They both were kicked out of Paradise. Evil made brother kill his own brother. Evil caused the Deluge, the Great Flood. And on and on it goes, the whole story of Humanity is filled with abuse, betrayal, violent deaths, wars, and is always getting worse... So, d'accord, Evil HAS to exist, and if it's only to jump in, when "normal" human beings need to cover their own weaknesses and sins. And in this thriller with super-natural touch, it is pure Evil our hero Jack Nightingale has to deal with. And dealing was his profession, before everything went down the river. A negotiator he was, trying to talk people out of their allegedly wrong actions. But at his very last day on the job, before he found himself a new one as Private Investigator, all actions that could go wrong went wrong... And here we find him, in the third book Nightmare aka Jack Nightingale 3 of his very own trilogy, after Nightfall and Midnight, dealing - as always - with his very private demons. Since a little girl named Sophie killed herself before Jack had the possibility to intervene, bad nightmares trouble his sleep. And now he also has them when he is fully awake. Sophie - wherever she might be in this very moment - cries out her torments through other people's throats, with the one and only purpose: Make Jack Nightingale help her. And the Point-of-No-Return is the very date Jack left the control of his own life behind and the super-natural - or shall we say under-worldly? - kicks in. Jack, being vulnerable for the Forces of Evil, will find himself in situations that even for a skilled negotiator like him will be difficult to master. He will be able to tear himself out of a swamp of a murder investigation of a Brixton drug mobster his old Nemesis Superintendent Chalmers wants him urgently as a culprit. And Sophie continues to call him to come and save her... Then, persons very near to him will be abused and killed. And so, against the urgent advices from people much more able to treat with extremely dangerous forces, he launches himself in some act of salvation of epic dimensions. To reveal more of the masterly twisted plot would be spoiling a fantastic read... Fantastic in many, many senses. And the reader will find herself/himself sucked into a story so unbelievable, incredible and yet After this book someone will probably review his former beliefs and ... hope so much the story of Jack Nightingale might go on ... in Eternity... (One simple recommendation... The book is perfect also as a stand-alone. If You want to know more about Sophie, read the first book, Nightfall. The second one Midnight is more like a "relaxing detour" but also full of dev'lish thrills... But the first and the third - I personally see them as one "unit" - one backing up the other...)

0 von 0 Kunden fanden die folgende Rezension hilfreich. love it! Von R Li read all three of the Jack Nightingale Books in less than two weeks, if there wouldnt be work i would have read them in three days ;) the plots are great, all three books on their own and together i do hope it will continue soon (est) great buy, you cant be wrong with the books ;) if you like a combination of good old

criminal thrillers spiked with occult/satanist background and a small love story on top of it... go ahead and buy ;)

KurzbeschreibungThe third book in the Jack Nightingale supernatural thriller series. What goes around, comes around. Jack Nightingale learned that as a cop and discovered that it was just as true in the world of the supernatural. His life changed forever on the day he failed to stop a young girl throwing herself to her death. Ever since, he's been haunted by thoughts that he could have done more to save her. Now her cries for help are louder than ever. Is she trapped in eternal torment? Can Nightingale put things right? Or are the forces of darkness torturing and deceiving him in order to gain the ultimate prize - his soul? Nightingale will have to face down the powers of the police, south London gangs and Hell itself to find out. And evil is closer than he thinks . . .

Pressestimmen'Written with panache, and a fine ear for dialogue, Leather manages the collision between the real and the occult with exceptional skill, adding a superb time-shift twist at the end.' -- Daily Mail 'Another great thriller from Stephen Leather but this time with a devilish twist!' -- James Herbert on NIGHTFALL 'Suffused with mysterious pentagrams, not to mention a creeping sense of evil, I suspect that down-to-earth Nightingale is a man we'll hear more of' -- Daily Mail on NIGHTFALL 'A disturbing, blood-chilling read from a writer at the top of his game' **** -- Sunday Express on MIDNIGHT
