Awesome!Von SiniFis***I received this book in exchange for an honest review from the Author and the Lovers of Paranormal Group on Goodreads.com***Boy, oh boy! In for a treat...The book started and I nearly went down. A

good-looking, alpha-male musician. Is there anything better? I loved the book. Roxy and Trevor have a nice tension between them which keeps you reading and the rest of his clan is just adorable. Although I have to confess in between I was a little annoyed by Trevor's worries about Roxy and all the apologies. Just get over it, the girl can easily look out for herself. But when he did all these small things for Roxy, like taking her to the hospital to see her ex, it made it all up. Nothing better than a hard guy having a soft spot for his girl. I really enjoyed reading this book and I definitely need to get my fingers on the other series of the author.

Kurzbeschreibung A song changed her life forever. Roxana Nights was late to another gig, thanks to her first love, and drummer. She left him years ago but he won't let her go. Then she hears a voice that captivates her. Trevor Malone recently moved to Seattle with his band. Music is his only passion, until he lays eyes on Roxana. The pull to her is irresistible. He's terrified she won't accept the beast within. A rival werewolf pack followed Trevor's band to the states. Unwilling to let grudges die, they target Roxy. One tragic mistake shatters her perception, showing her the fantasy world she writes is closer to reality. Unleashed magic courses through her veins, and not all monsters are evil. Will the truth in his past shatter their love? Or can Roxy accept what she is in time to save them all? Kurzbeschreibung A song changed her life forever.
