**Von S.L. Jennings : Nikolai: A Dark Light Novella (The Dark Light Series) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nikolai: A Dark Light Novella (The Dark Light Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Unexpected! But wow!Von Tea PNiko was adorable in The Dark Prince. But his own story made me almost

speechless. So not what I expected from Dorian's little brother. Nikolai is dark, dangerous and ruthless. Until Amelie. There is nothing more to say, because I don't want to spoil anything for you. Let's just say: if you love the Dark Light series and are into heartbreak, you definitely have to read it. Really! The epilogue was not my cup of tea, but it didn't downgrade this wonderful book for me.

Kurzbeschreibung From New York Times and USA Today Bestselling Author S.L. Jennings We met Nikolai in The Dark Prince (Dark Light #2). Now learn his story... Two centuries ago, I clawed my way into a world of immorality, filth and destruction. A world seething with secrets and lies, both mortal and immortal. Complete and utter Darkness. I know we were supposed to be inherently evil, but something inside me refuses to fully believe our legends. Something that calls out for more calls out for her. But there are rules. Rules that control the balance of nature. And if broken, it could destroy everything I've ever known. It could destroy me. I am Nikolai Skotos, son of Stavros and Delia, and brother of Dorian, the heir of the Dark throne. I am one of the most powerful Dark forces to have ever walked this earth. And I once was lost. Now, I'm about to give it all up for the girl that found me. \*Recommended for mature readers only due to scorching hot sex scenes, explicit violence Niko's deliciously naughty potty mouth.
