Von Tom Barber : Nine Lives (Sam Archer Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Nine Lives (Sam Archer Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Solid debutVon Honest ReviewerTom Barber has created a fast-moving action thriller with his first novel. He has managed to keep the suspense high at all times by plotting an unfortunately highly believable scenario (at least the Emirates incident).What bothered me a bit was the relatively shallow background information on the main characters but since this is the first in a series there will be time for that, I guess.Another slight flaw that irked me was the fact that the outing could also have been called A Chalky Novel or even A Mac Book (pun intended...) since Sam Archer is not

really standing out as the protagonist, the supposed supporting cast seems equally important. At least that's the way I felt when I read the book. This all might sound very critical but I don't mean any harm. I enjoyed the novel, it just did not blow me away (OK, bad choice of words maybe...). The series has already grown to five books and I will keep following since I sincerely believe that it will get even better!

Kurzbeschreibung Praise for Nine Lives: One of the best books I've read - certainly for a first novel. One of the best thrillers in the recent past. I've read a lot of books in the past two years since I owned a Kindle, but this was the most compulsive reading I have come across. One of the best books I have read in this genre. An impressive start to a great series. I've now read all 6 books, and it just gets better and better. My new favourite in the genre. It's New Years Eve. A major terrorist cell is planning a series of attacks across London over the next forty-eight hours. The government has surveillance on the group, a man undercover, and prepare to move in, to take out the terrorists before they can strike. But they lose contact with their inside man. And the cell vanishes into thin air, dispersing into the streets, armed and intent on completing their assault on London. The best Counter-Terrorist teams in the country are told to take them down before it's too late. Nine terrorists. Nine lives. The Armed Response Unit is one of these teams. Efficient and ruthless, the task force is ordered to locate the leader of the cell. As they hunt him down, they begin to realise that this is far bigger than any of them could ever have imagined. Bombings, rocket attacks, betrayal and a series of unexpected and shocking twists leave the ARU fighting to stay alive. There's Archer, the youngest member of the team, keen to prove himself and justify his spot on the task force. His best friend, Chalky, who is forced to fight both the terrorists and his own demons. Porter, Deakins and Fox, tough and experienced men who've never dealt with anything of this magnitude. And Mac, their sergeant, who must make the quickest of decisions and lead his men against the invisible enemy. As events unfold, other people are drawn into the danger. The Prime Minister, desperately trying to find a solution and protect the capital. A mysterious female Mossad agent, who appears out of nowhere and joins the fight against the cell. Two Special Agents from the DEA, one of whom was a member of the SEAL team that stormed Osama Bin Ladens compound and who for some reason is struggling with the memory. And the vicious, powerful leader of a Middle Eastern drug cartel, who operates in the shadows and is somehow connected to the terrorists. With crowds all over London celebrating the New Year, and with nine terrorists somewhere amongst them, the Armed Response Unit is faced with the most dangerous night of their lives. As the savage, shocking plans of the enemy are fully revealed, the ARU officers are faced with the ultimate question. How many times can a man cheat Death before Death evens the score?

ber den Autor und weitere Mitwirkende Born in Sydney, Australia and raised in England and Brunei, Tom Barber has always had a passion for writing and story-telling. It took him to Nottingham University, England, where he graduated in 2009 with a 2:1 BA Hons in English Studies. Post-graduation, Tom moved to New York City and completed the 2 Year Meisner Acting training programme at The William Esper Studio, furthering his love of acting and screen-writing. Upon his return to the UK in late 2011, Tom set to work on his debut

novel, *Nine Lives*, which has since become a five-star rated UK Kindle hit. The following books in the series, *The Getaway*, *Blackout*, *Silent Night*, *One Way*, *Return Fire*, *Green Light* and *Last Breath* have been equally successful, garnering five-star reviews in the US, UK, France, Australia and Canada. The Sam Archer series has sold over 71,000 books worldwide and each title is currently being adapted into audiobook format. In his late-twenties, Tom spends most of his time back and forth between the US and the UK. He loves movies and good thrillers and hates coffee and bad weather.
