KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A nice read to wind down,Von Ruth Hanswith enough suspense to keep you from sleeping.The stories of this serie are all readable as stand alones, but if you read more than one, it's nice to meet some characters again and keep up with their lives, as well.Like in all her books, Julie Miller adds a little drama to the past of the heroes, a little sadness which has to be healed by love, and enough suspense to make the stories interesting and enjoyable beyond the usual love stories.
