Von Johanna Lindsey : No Choice But Seduction: A Malory Novel (Malory-Anderson Family Book 9) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised No Choice But Seduction: A Malory Novel (Malory-Anderson Family Book 9) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Fluff, but not much moreVon CustomerI generally really enjoy the weird and wonderful exploits of Lindsey's Mallory

family, but I found this one slightly lackluster. I was distressed by the feeling that the Author is on a continuous Mission to hook up as many Andersons and Mallorys as humanly possible, but my question is WHY? Katey was in Fact an imminently likable character and even her somewhat childish trait of making up stories which in some might seem irritating, added to her appeal. But when it came as it had to come and there was the big reveal about her being... surprise, surprise... a (bastard) MALORY I was just kind of... dissatisfied. Add to that the fact that the conclusion of the book came about far too quickly, and if you like me you'll be missing the famous Lindsey wooing tactics, rejections (in other words the whole cat and mouse game) and the big finale, you might get the feeling that this book is sadly no more than a bit of fluff and not one of the emotionally moving books I've come to expect from this author. And most damning to my mind: I PUT THE BOOK DOWN (not for an hour mind, but for days) a fact that makes it impossible to give this book more than 3 1/2 stars. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A charming addition to the Malory-series. Von S. Fischer. Katey Tyler has spent her childhood and youth in an extremely boring American village, so when she comes into an inheritance, she decides to use the money to travel around the world. And in England, she wants to visit her grandparents, who disowned her mother when she married an American commoner. But things don't go too well: When she helps the kidnapped daughter of Sir Anthony Malory, his relative Anthony Boyd thinks that she is actually the kidnapper, which leads to some rather unpleasant situations until everything is cleared up. Even their mutual attraction can't redeem him to her after this. And her relatives don't want anything to do with her since her presence might reveal a long-hidden family secret. But the Malorys do what they can to help the woman who saved their little girl and Boyd does his best to win Katey's heart. What follows are a journey by ship through the Mediterranean, adventures with pirates, and a surprising resolution to Katey's problems with her family. This book is very charming, full of warmth and humour and nice characters. I enjoyed it and only give it 4 instead of 5 stars because it loses some steam towards the end. Otherwise it's a real pleasure. It's part of the Malory-series and definitely a lot more fun if you know those other books. They are: 1. Love Only Once 2. Tender Rebel 3. Gentle Rogue 4. The Magic of You 5. Say You Love Me 6. The Holiday Present 7. A Loving Scoundrel 8. Captive of My Desires. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Uninspirierte Geschichte. Von Scrivata. Ziemlich banale Geschichte, lieblos nach altem Muster zusammengeschrieben. Wenn man es bis ans Ende geschafft hat, hat man den Anfang schon wieder vergessen und nach weiteren 10 Minuten das ganze Buch. Es war eine große Enttäuschung, ich bin von Ms Lindsey bessere Qualität gewohnt.

Kurzbeschreibung #1 New York Times bestselling author Johanna Lindsey's "mastery of historical romance" (Entertainment Weekly) takes center stage in her eagerly anticipated new novel of the aristocratic Malory family -- a passionate, witty, and high-spirited tale that provides startling new information about a prominent member of the family. After her mother died, vivacious Katey Tyler fled her dull Connecticut town, hoping to meet her relatives in England and find adventure and romance on a grand tour of Europe. She had no idea that her life-changing travels would have both in spades -- as well as danger and intrigue -- when she catches the eye of ship owner Boyd Anderson and inadvertently stumbles upon a high-stakes kidnapping. When Sir Anthony Malory's young daughter is abducted from London's Hyde Park, her kidnapper mistakenly sends the ransom note to the home of Sir Anthony's brother, James. With James and his wife, Georgina, in the Caribbean, the demands are received by their houseguest -- Georgina's youngest brother, Boyd Anderson. Searching for the girl with Anthony, the notoriously hot-headed American sea captain fully intends to make the foolhardy villain pay. But he hardly expects to find exquisite Katey Tyler, recently a passenger on his ship, at the center of the plot! Little does Katey realize that in having caught the attention of Boyd Anderson -- and in meeting up with the Malorys -- she's about to experience more excitement than the typical young lady encounters on a grand tour, and her life will never be dull again. A multitude of surprises await Katey, from the startling truth about her mother's early life to the lengths a man will go to win the affections of a lady who has every reason to despise him -- but who can't resist the seductive, impassioned love he has to offer her. With the delightful humor, lovable characters, and tempestuous passions that have placed Johanna Lindsey's eight previous Malory novels among the best-loved and most widely read romantic novels of our time, *No Choice But Seduction* sweeps readers away on an irresistible adventure that is as bold and charming as the heroine at its heart. *Pressestimmen* "Witty...sexy...irresistible." -- Booklist Experience "Lindsey's mastery of historical romance." -- Entertainment Weekly *Werbetext* A fast-paced, sexy historical romance from the No.1 New York Times bestselling author
