**Von Jess Michaels : No Gentleman for Georgina (The Notorious Flynn's Book 4) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised No Gentleman for Georgina (The Notorious Flynn's Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Another great Jess Michaels novelVon LadySpooksFirst of all, I have to say, that I love Jess Michaels books. They are hot,

juicy and always have great female leads. Usually I don't read books under 300 pages because they aren't worth the time. This one was an exception with its 71 pages. It's the 4th installment in the "Notorious Flynn" series. It's the story of Georgina Hickson and Paul Abbot. They are both friends of Annabelle and Marcus and Paul works for him in the club. The problem is that Paul has no title and no fortune. Georgina on the contrary has one, a large dowry and had several reasons already without an offer she thinks. Her father wants her to marry and doesn't allow her to have fun especially not with untitled men. Georgina always likes to be in his company and plans to seduce him to get what she wants. 71 pages aren't a lot to tell a story and to be honest, you cannot go into the depths of it. But I really enjoyed this story even being only a novelette. You have to love Georgina! Next time, Jess, please give me 300+ pages again, lots of smut (as always) and a sexy hero! Rating: 4\*\*\*\*
