Von T.A. Chase : No Going Home (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised No Going Home (English Edition):

Kurzbeschreibung FROM BESTSELLING GAY ROMANCE AUTHOR T.A. CHASE There is a lot of story packed into this book...a sweet story...I recommend. ~ Joyfully Jay Book one in the Home series newly expanded version! Six years ago, a hoof to the head ended Leslie Hardin's showjumping career and his relationship with the man he loved. Broken, hurt and rejected, Les has focused his energies on rebuilding his life. Les' accident has shown him that the most valuable treasures are usually found under an imperfect surface, and his reputation for taking in strays starts to grow. But it's one of these strays in particular, injured rodeo cowboy Randy Hersch, who captures more than just his compassion. Between his disapproving father and his chosen career path, Randy has always felt the need to deny his passion. When Les takes him under his wing, Randy begins to realize that he is truly strong enough to admit his true self to himself and to the rest of the world. But in the arms of a broken man, can he find acceptance and love?
