Von LanthaniumDie Horror-Kurzgeschichte No Good Deed von Drew Adams erhielt ich kostenlos - danke - und las sie in einer Viertelstunde. Hauptperson Thomas stellt darin pltzlich fest, dass ein Teil der Menschen von ekelhaft aussehenden und riechenden Monstern umhllt ist. Im Bus lernt er das Mdchen Carla kennen, die ihm nheres dazu erklrt. Beide mssen fliehen, da die Monster bemerken, dass zwei Menschen sie entdeckt haben.Die alptraumhafte Geschichte ist so spannend, dass ich sie nicht mehr aus der Hand legte, bis ich am Ende angelangt war. Wrtliche Rede und Beschreibungen ergnzen sich gut. Der Autor ist zweifellos ein begabter Geschichten-Erzhler. Oder er hat uns Monster wirklich gesehen.

KurzbeschreibungThomas awakened from a horrible nightmare.The people in it were covered with translucent, grotesque images, with beast-like features.He shakes off the dream and begins his day, but is horrified when he steps onto the bus and seesover half of the passengers are encased by the same frightening monsters.Beautiful Carla is on the bus as usual.The apparitions are not new to her and shefears Thomas's reaction places him in grave danger.Ignoring her own peril, she ushers him off the bus and togetherthey flee through the back streets and alleyways of the city.The creatures are everywhere.And all of them have the scent.They circle like a pack,closing in,each wanting their portion.Thomas wants his world back.Carla knows that world never existed.KurzbeschreibungThomas awakened from a horrible nightmare.The people in it were covered with translucent, grotesque images, with beast-like features.He shakes off the dream and begins his day, but is horrified when he steps onto the bus and seesover half of the passengers are encased by the same frightening monsters.Beautiful Carla is on the bus as usual.The apparitions are not new to her and shefears Thomas's reaction places him in grave danger.Ignoring her own peril, she ushers him off the bus and togetherthey flee through the back streets and alleyways of the city.The creatures are everywhere.And all of them have the scent.They circle like a pack,closing in,each wanting their portion.Thomas wants his world back.Carla knows that world never existed.
