before purchasing it in order to gage whether or not it would be worth my time, and all praised No Homo Trilogy: Prisoners, Rednecks and Macho Male Strippers (The Purely Straight Collection Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
"Hauptsache nicht homo..." Von mockingbirdEs handelt sich um eine ausgedehnte Kurzgeschichtensammlung, die verschiedene Situationen beschreibt, in denen Männer aufeinander angewiesen sind, in sexueller Hinsicht, obwohl sie nicht schwul sind. Also Knast, Militär etc. Die allermeisten Geschichten knistern vor Sex, Testosteron, riechen nach Männerweiß u.a. Oft haben sie dabei eine tragikomische oder sehr ironische Komponente. Der sprachliche Ausdruck ist erwartungsgemäß und milieutypisch ziemlich deftig. Die Handlungen abwechslungsreich und spannend. Gute erotische Unterhaltung für Leute, die es auch etwas derber mögen.

KurzbeschreibungThis compilation combines the entire first three books of the best-selling "No Homo" series of hardcore gay domination/submission fuckery! These stories are diverse in theme, focusing on prisoners, rednecks and macho male strippers on the downlow. What sets the "No Homo" series apart from others? It's the only gay erotica that's too hot for gay sex! That's right, the books of the "No Homo" series are hardcore gay erotica where all the sex acts are either debatably hetero or not technically sex at all. These guys are too straight to go all the way, but it turns out they can go pretty far without crossing that all-important penetration line. Warning: Don't let the lack of "gay sex" fool you. This is hardcore gay erotica, meant for mature readers with a taste for this sort of material. It includes stories written by more than a dozen authors, so it includes a wide variety of kinks, styles and fetishes. This compilation three pack combines the first three volumes of the "No Homo" series: Curtis Kingsmith's "No Homo: Prisoners", Bubba Marshall's "No Homo: Rednecks" and J.T. Washington's "No Homo: Strippers". It also includes a set of prequels for each book -- these are short stories with a variety of themes, from soft romance to hardcore gay erotica, featuring all manner of sex acts and types. Including bonus content, this ebook contains more than 240,000 words of the hottest and most outrageous sex around! Purchased separately, all the material included in this ebook would cost more than \$40, making this a great value!
