KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Perfect! I wish this series would never end!!!Von Bianca @BJsBBChris and Sara just got back to San Francisco from Paris.The police need to speak to them again - because as we remember - Ava retracted her confession and is now

blaming everything on Sara and Mark. Now they have to prove that Ava killed Rebecca. And the whole Rebecca disaster is not the only problem Sara and Chris have to face. There's still Chris's dark side. We saw in Paris that whenever something really bad happens he feels the need to be whipped to survive all those dark feelings inside of him. And now he's scared to death that Sara will not be able to handle another of his 'episodes'. But Sara believes she is stronger than he thinks. She will not leave him - no matter what. He's her future husband. Nothing he does could make her leave. Then we also have to deal with the Gallery, because Mark kind of gave up on it - at least that's how it seems. He's in New York at his mom's hospital bed. And he had his mom's protegee Crystal take over both the New York and San Francisco businesses. But Crystal is totally overwhelmed with too much work, so she begs Sara to take over in San Francisco. Then Mark shows up in San Francisco. And even though he's still his dominant rude self, he's all broken inside. His mom's illness, Rebecca's disappearance, having to take care of both the east and west-coast businesses, and all the rumors about his sex club going around in the press. Sara feels she has to do something to help him - but she has enough to do to save herself and Chris. Plus he doesn't want to be helped - he constantly sends her away - with all his rude and sexual charm. Then we have our very sexy Sara Chris moments again. But... there still are lots of problems to overcome until everybody can get their happy ever after... What will happen to Sara Chris? Will there be a HEA? What about Mark? Will everybody die at the end? Or will there be a horrible Cliffhanger? I'M NOT TELLING YOU THAT OF COURSE... I don't want to spoil anything OK - I might tell you that Mark Crystal will get another Novella next and then their own full length novel: I BELONG TO YOU so - we'll see them again and of course we'll meet Sara Chris again too - there's still a last book left - Valentine's Day 2015!!! AMAZING BOOK!!! YAY I missed Sara Chris Mark so much *happydance* I LOVED this book! With Sara and Chris getting engaged we kinda had an ending already for them - but the story is far from over. There's still so much left to tell - so much left to overcome - mostly on Chris's side. This book - had EVERYTHING a great book needs: SEXY / EROTIC SCENES SUSPENSIVE SCENES MOVING SCENES FUNNY SCENES ADORABLE SCENES I loved how Sara Chris are so secure in their love this time - there's no real drama about her running away or him pushing her away. They know there will be hard moments with Chris and his darker side and with Sara and her anxiety attacks and of course with the Rebecca Amber problems - but they love each other too much to let anything get in the way of their happiness! I loved how the Roses on the cover have something to do with the story.... Ugh, but poor Mark - I felt sooo bad sad for him in this book. I wanted Crystal to come and make him happy (Ok - I wouldn't have minded going to San Francisco myself to give him a 'cuddle') - but we'll have to wait a bit longer for Mark's next 2 books. Can't wait! He so deserves to be happy again after everything that happened. And we finally find out a bit more about what happened to Rebecca - but this whole story might not be over after this book... If you loved every book of the Inside Out series - just like I did - you will LOVE this one too ----- GO GET IT Now I can't wait for the next books!!!!!! And, can I please have the Inside Out TV Show on my TV tomorrow??? And can it please be a daily thing? Because I want/need to stare at (naked) Chris Mark all day long!

Kurzbeschreibung Book 4 in the New York Times bestselling INSIDE OUT series now in development for TV with acclaimed producer, Suzanne Todd! Chris and I have faced our demons and bared our souls to one another in Paris. Now that we are back home in San Francisco, I want to believe that nothing can tear us apart. Not Ava's accusations against me to the police, or Chris's fear that he will destroy me as he feels he did Amber. And not Mark, who was once too intimately a part of our lives, and who I can see crumbling inside out. He believes he is invincible, just as I want to believe Chris and I are invincible. We have to be invincible. We need each other too much for any other ending.
