Delightful Mix of Love and Silly Laws
Von Ein Kunde
No Law Against Love is a delightful anthology about love and some of the silly laws on the books. Sixteen writers and twentyfour different stories all revolving around a silly law and how that law brings a couple--or two or three couples-together. Each author picked her own silly law to write about, and some of the results are hilarious. Some bring a tear to the eye. Some of the stories are contemporary, some historical, some fantasy. All are wonderful. I can't wait for the next anthology, No Law Against Love II. As an added inducement, all the authors agreed to pass on their payment, donating their profits to fight breast cancer. What a wonderful gift!

Kurzbeschreibung
No Law Against Love - Stories straight from the Heart. A Revised version of the original No Law Against Love Anthology - the launch book for Highland Press Publishing. Net profits from this exciting project are benefiting Breast Cancer Awareness and Prevention. Writers from around the world - from published to debut authors - donated their stories to show love happens in some of the funniest places regarding silly laws still on the books world wide. Stories from Historicals, Paranormals, Regency, and Contemporary Romances. The generous authors who have donated their time and their stories to this worthy project are: Deborah MacGillivray, Leanne Burroughs, Cheryl Alldredge, Susan Barclay, Michelle Scaplen, Patty Howell, Jeanne Van Arsdall, Cissy Hassell, Rekha Ambardar, and Victoria Oliveri
