Von Tanya Huff : No Quarter (Quarters Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised No Quarter (Quarters Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Wonderful SequelVon Ein KundeKeep in mind that this review is from someone who reads Regency Romances as well as SFF, but if you are in the mood for a fascinating spin on the four-elements theme and a realistic look at what happens when cultures and customs clash, this three book series is for you. Not to mention the love story (which spans the last two novels), which keeps you on absolute tenter-hooks until the very last page of No Quarter. A bit melodramatic at times, but Huff's taut characterization and wonderful sense of pacing make you more than forgiving. Vree and Gyhard are *almost* my favorite pair of lovers - but they have to lose out to Tess and Ilya. Two thumbs sky high.0 von 0 Kunden fanden die folgende Rezension hilfreich. a page-turner!Von Ein KundeI found this book at the

library at was hookd at the first page. i found Vree's and Gyhard's co-existance, sigh, romantic. Vree's learning to trust and except her own emotions tought me how to deal with my own. I have recomended this book to several people and they have all come back to me asking fo more recommendations. Hope to see more people read Huff in the future, shes a great author2 von 3 Kunden fanden die folgende Rezension hilfreich. Gute Zusammenfhrung zweier Romane, Magie einmal anders. :)Von Jan HaaseDas Assassinenprchen aus "Fifth Quarter" hat sich getrennt, und Vree taucht in der Bardengilde aus "Sing the four Quarters" auf - die Barden wollen die besondere Form von zwei Seelen in einem Krper studieren. Natrlich kommt es zu Komplikationen, als Annices Tochter durchbrennt und man Vree verdchtigt, doch noch als gefhrliche Waffe zu gelten...

KurzbeschreibungHaving offered sanctuary to the soul of the man who stole her brother's body, Vree heads north to Shkoder with two kigh struggling to co-exist in a single body. Although the odds aren't in their favour, there's a chance, a small chance, the Bards can find Gyhard a body of his own without anyone else having to die. But Vree was an assassin train to kill on command, Gyhard has chosen to kill again and again on a quest for immortality, and the Bards aren't certain which of them is the more dangerous. No one, from the guard on the Citadel gate to the King himself, wants them anywhere near the single Healer who can Sing the Fifth Kigh.No one except Magda, the Healer, whose heritage has taught her that things are not always as they seem.In the end, Bardic suspicion becomes the least of Vree's problems. The dead walk in the mountains of Shkoder, kigh confined in rotting corpses, and Gyhard's past returned to haunt them. Hunted by the Bards and the Healer's family, Vree, Gyhard and Magda head for the mountains to try and Sing Gyhard's past to rest. To make matter's worse, Vrees brother has yet to forgive her for saving Gyhard's life and is determined to bring Gyhard and therefore Vree back to the Empire to pay the price for treason.KurzbeschreibungHaving offered sanctuary to the soul of the man who stole her brother's body, Vree heads north to Shkoder with two kigh struggling to co-exist in a single body.
