Von JoAnn Ross : No Regrets before purchasing it in order to gage whether or not it would be worth my time, and all praised No Regrets:

It deserved 4 1/2 stars, because it was really, really good but not perfect. It's a full-blown soap opera in Grand Style. There's heartache,

tragedy as well as forgiveness and true love. Who could not love Molly, the superwoman older sister, as she struggled with her feelings and her faith. And of course, there's Reece, the gorgeous, rich, sensitive, caring Doctor. Even the secondary characters, Lena, Theo, Alex, Tessa and Dan (sexy!) - they played great parts. I guess my gripe comes with the weak ending. I love my stories to wrap up happy but there seemed to be too much "turnaround" of basic personalities to ring really true. I guess it was just a little too "neat". All in all, a good, fast read, with a few small tears shed in sad moments rendering it an (almost) 5 star book. 0 von 0 Kunden fanden die folgende Rezension hilfreich. This book is a keeper. Von Irene Salvador (Lanidog@prodigy.net) I just couldn't put the book down. The kind of relationship that Molly and Lena had, and eventually after finding Tessa is what all sisters should have. I think Reece and Dan were just the kind of men needed for the McBride sisters. I am going to read this book over and over and over. Maybe I should buy another copy in case this one wears out. Very Strong story line. I have definitely become a fan of Ms. Ross. I want more stories like this. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Really got your attention Von Ein Kunde I liked this book. I always like all her books. I really enjoyed the plot of the book. I was so glad it ended the way it did. I felt so sorry for Molly. but it was a good story and I hope she has more coming out soon. I enjoy a book that jumps right in, I don't really like a lot of history at the first of a book.

Kurzbeschreibung As children, Molly, Lena and Tessa McBride witnessed their parents' murder-suicide. That life-changing moment shaped their future in unimaginable ways, but was unable to destroy the ties between them. Molly chose a life of helping others through her work as a nun. But her determination to do good cannot prevent darkness from touching her life or make her forget the man she secretly loves: her sister's husband. Lena longs for intimacy, but fears again losing someone she loves until she meets Dr. Reece Longworth. His belief in her makes her willing to try to open her heart again. But by the time she learns to love him, will it be too late? Adopted as a baby, Tessa McBride remembers little of her sisters, but feels the effects of their parents' deaths as keenly. She seeks fame, but finds herself caught by a man whose promise of love comes with terrible consequences. Tragedy tore them apart. Now tragedy will bring the sisters together again, offering them the chance to find happiness in sorrow if they choose.
